# CHRISTMAS - 2011—Greetings

## Epiphany Goodwill

## Happy New Year— with Our Lord's Blessings in 2012

*December 2011*

91
1921

Greetings to:

The Helmlinger/Wildauer Group, The Dobelstein Relatives, The WW II Vets Group, and in Bremen – Our St. Paul's Family, and other dear friends.

"For Unto us a Child is Born; Unto Us a Son is given..." Isaiah 9 v 6
'For unto you is born this day in the city of David, a Savior, which is Christ the Lord".. Luke 2: v11

Thus the Hope of all mankind rests with that Babe of Bethlehem.

These accounts and other Biblical truths give us hope for spending eternity with our Lord and Savior. With our world in turmoil and all of its sinful ways, we still have the Hope that cannot be taken from us. We have the assurance and a strong faith that the O.T promises of God are fulfilled to the letter in the New Testament. All praise to our Lord and Savior. As His children we are challenged but never forsaken. From Bethlehem's manger we look toward the Cross and the salvation that Jesus won for all mankind.

Abide with us, Emmanuel.

In just a few weeks, early in January, I will mark my 91st birthday. As the Lord added a milestone 90th birthday to my life this year 2011, I still yearn more and more for the day He takes me home as His own. Until that time, the following are a collection of some of my many blessings, too many to recall. The Lord is taking good care of this "Old Man". I still drive, walk without a cane, etc. I am able, though sometimes it seems difficult for me, to take care of my 95-year old — soon to be 96-year-old — sister Ruth who is in the Bremen Nursing Home. She is without sight and use of one good ear. I am with her to assist with serving her at noon and evening meals, and I have a chance for holding a devotional period as well. Her spirits are remarkably high most of the time. Other relatives of Ruth and mine are at greater distances, but they do try to schedule a visit to Bremen to check on us both as they are able. I also have a loving church family at St. Paul's to help in time of need. The Lord again has blessed us accordingly.

THE HELMLINGERS - Our son, Will and his wife Suzi live and work in Portland, OR. Their one son Kai and his wife Lyn are in Denver, CO. His other son Arick and his wife Leesa recently moved to San Francisco, CA. ( But this Grandpa from the Mid-West has no idea why they picked CA.)

THE WILDAUERS - The families are scattered about in TX, UT, WI. Our daughter Cheryl and her husband Charley are still in Allen, TX. Both are still teaching—Charley in Pre-AP Geometry High School (Math) and Cheryl with her 3rd graders at Faith Lutheran School. Two of their "boys" live in the Salt Lake City area. Their son Matt, a civil engineer, lives in Taylorsville, UT. Andy and his wife Jessi and two daughters, Avery and Izzy, are in Midvale, UT. Their other son (Rev.) Micah and his wife Robin and son Samuel live in Milwaukee where Micah is pastor of two inner-city Lutheran Churches

More WILDAUERS— (Rev.) Len Wildauer and wife Kateri are serving a Lutheran church in upper northwest Wisconsin. Len's son, Mark and his wife Heidi now have three children– two boys, Noah and Jack, and a fine little girl, Abby, born in March. They live not too far from Micah and his family. They have been able to make some frequent trips to visit this old man. Mark recently graduated with a teaching degree and is now teaching in a Lutheran school in Milwaukee.

My sports-minded grandsons keep in touch by talking sports with their sports-minded Grandpa, so this hopefully keeps us all "young at heart." All the above families have been truly blessed by the Lord, and I'm mighty happy about that.

Let us all join with the shepherds now….. And spread the Gospel message of Christmas…..

*After the Angels had left them and gone into heaven the shepherds said one to another, "Come , we must go to Bethlehem and see the things which the Lord has made known to us". Luke 2:15.*

***May His Peace, and Love and Joy remain with us all!***

2007

Dear Lucy —

Just re-read your Christmas letter of last year. Such a busy person! Was 2007 as busy? My only trips this year were in February to see Susan in South Carolina (it was warm!) and in April to see Ann in Maryland. Missed the best of the cherry blossoms but there were some and I always enjoy Washington. I'll try again in the spring, a little earlier.

My son and I are going to Susan's for Christmas and will enjoy that, warm weather and grandchildren. And we are going to spend two weeks in January in England.

I hope you and Fred are still together. Companionship makes such a difference in life. I'm so glad for you.

Ann and her husband were in

Germany last month and had a chance to visit some locations of our family. Saw some old church records, she was very excited.

Have a great Christmas and a happy year ahead.

Love,

Betty

We're grateful there's a special season to draw so much of the world's attention to the Christmas virtues of giving, of caring, of concern for others ahead of concern for self. It is truly a wonderful season of peace on earth, good will toward all men. No person who ever lived exemplifies the qualities of life that lift and bless, turn hearts to goodness, turn lives from sadness into joy, encourage peace in thought, word, and deed more than He who came so long ago, The Prince of Peace, The Son of God.

His birth was heralded by angels, predicted by prophets, hoped for by the faithful who believed He would come, and who worshipped and adored Him when He came. Men, women, and children from all walks of life and stations in society yearned to see and know Him, listened as He taught and blessed them, and turned their lives His way in following Him.

He beckons to all, abides in all who come to Him with broken hearts, contrite spirits seeking forgiveness, and focused love and devotion. Those who covenant to be His children, to live His ways, to walk in His paths, to be like Him in every way, Christ-like in thought, word, and deed are welcomed into the family of God and His Christ. Doing so brings Christmas into our lives every day as we rejoice in Him and look outward in service and love. We know He lives and loves us.

Family update: We still live in Nauvoo, IL which we love. We love the small Midwestern culture, our friends & neighbors, and our service here in the ward & temple. Glenn will retire at the end of the summer and we're very excited about that. Matt, Crystal, & family are still living in Salem, UT. Nate, Jeni & family have moved to Encinitas, CA where he is doing his residency in radiology. We welcomed a new grandson this year, 4th child of Tim & Becky who still live in Centerville, UT. Ben Hawkes is still living in Jessup, MD and doing well. Pete began a master's program in graphic design at UCLA & since their house hasn't sold yet, Emily is still in Orem, UT with the kids. They're hoping to resolve that issue ASAP. Jennie and Jeremy moved their family back to Bethlehem, PA where he is doing his podiatric residency in nearby Allentown. Heather and John moved their family to Lovettsville, VA where John began law school at George Mason in DC. Julie is finishing her last year of law school at Yale while Golden works for the state department in DC. (So what's up with these kids who can have long-distance families??) Katie and Van are still in Aurora, CO and love it there. Ben Holt (our youngest turned 20 this year!!) is still serving a mission for our church in Frankfurt, Germany. He is loving it and doing wonderful things. He will finish October 1, 2010.

Our wish is for each of you to have a wonderful, peaceful, prosperous 2010 as you find joy in all that you do and all that is yours.

Much love,
Ann & Glenn

## Merry Christmas & Happy New Year Wishes from Glenn & Ann

**Highlights of 2008:**
After 5 months of very hard family-supported work we sold our home in MD and moved to Nauvoo, IL at the end of June. Bonus – we sold before the fall financial disaster. We sought exactly what we've found here, small, quiet, very warm and friendly, close to church and the temple, and less expensive. We love Midwestern people and their ways, and our home so close to our church the most. Other highlights for Annie and me were going to Grandma Hemlinger's at Royer Lake, IN for Thanksgiving, (first time for Annie in over three decades), and Annie and I began regular temple service each Saturday in Nauvoo, which we love.

Family-wise we added two grandchildren, grandson James to Jennie and Jeremy Tilton in April and granddaughter Sicily in August to Heather and John Ure. Matt married Crystal Peters, adding four new grandchildren in one fell swoop, bringing the total to 20. And youngest son Ben Holt entered the Missionary Training Center in Provo, UT on 1 October on his way to Frankfurt, Germany on 20 October doing voluntary, self-supported missionary service for our church for the next two years. He started in Frankfurt and is now serving in Mönchengladbach which is a good-sized city West of Dusseldorf. He left training five weeks early because of his skills with the German language, a credit to his diligent studies. He's the last of seven missionaries from the family, which will total 12.5 years of service dedicated to sharing the Savior's Gospel in Australia, Japan, Germany, Canada, Brazil, and Argentina. There is no greater honor and blessing than to serve full-time declaring Christ and His Gospel to all.

**Our wishes for Christmas and the New Year:**
As we think about The Lord Jesus Christ, our personal Savior, we marvel that we're so blessed to know Him. We love having opportunity to get to know Him better through personal prayer, scripture study, study of written and spoken testimony of Him, and serving others in His Name. We remember the words of a beautiful hymn, "I stand all amazed at the love Jesus offers me, confused at the grace that so fully He proffers me. I tremble to know that for me He was crucified, that for me a sinner He suffered, He bled and died. Oh, it is wonderful; wonderful to me." His eternal, atoning sacrifice gives us the sure promise of life after death for all who ever lived on this earth. It also opens the way to a sure peace of mind, heart and conscience that comes from knowing through Him we can gain forgiveness for our sins, shortcomings, and mistakes on the road to becoming better people, stronger disciples, more kindly servants and neighbors, righteous sons and daughters of a kind, loving Heavenly Father.

We are comforted, our spirits renewed, strengthened and enriched when we read, "And behold, he shall be born of Mary, at Jerusalem..., she being a virgin, a precious and chosen vessel, who shall be overshadowed and conceive by the power of the Holy Ghost, and bring forth a son, yea, even the Son of God. And he shall go forth, suffering pains and afflictions and temptations of every kind; and this that the word might be fulfilled which saith he will take upon him the pains and the sicknesses of his people. And he will take upon him death, that he may loose the bands of death which bind his people; and he will take upon him their infirmities, that his bowels may be filled with mercy, according to the flesh, that he may know according to the flesh how to succor his people according to their infirmities....The Son of God suffereth according to the flesh that he might take upon him the sins of his people, that he might blot out their transgressions according to the power of his deliverance...."

We are blessed in unimaginable and miraculous ways by our Savior's love, life and sacrifice for us and all, especially those who will listen to Him and seek to be like Him. Our wish for you this Christmas season and through the New Year is for the resulting "peace that passeth understanding" to fill your life and the lives of those you love.

With much love,
Glenn and Annie Hawkes

June 2016

Dear Mr. and Mrs. Marckel, (Fred and Lucy)

***Isaiah 9:6 and Luke 2:11 are verses which prefaced our father's 2015 Christmas/2016 Epiphany letter followed by his words. "These accounts and other Biblical truths give us hope for spending eternity with our Lord and Savior. With our world in turmoil, we still have the Hope that cannot be taken from us. We have the assurance and a strong faith that the O.T. promises of God are fulfilled in the pages of the New Testament. As His children we are challenged but never forsaken. From Bethlehem's manger we look toward the Cross and the salvation that Jesus gained for all mankind- yes, for you and me." (Bill Helmlinger)***

On behalf of my brother, Will, and myself, I am writing to let you know that our beloved father died in the Lord on May 19. As I perused either his Christmas card list, cards of encouragement, or even greetings on his 95th birthday (1-8-16) that he had kept, I felt that it would be fitting to write this final note to you as a tribute to our father. While it may get lengthy, perhaps you will get an understanding what an impact both our parents made on our lives and the lives of countless others.

I would try to call my father almost every night if I could just to "touch base." He would tell me about his weather, and usually I'd inwardly chuckle because he'd tell me he had kept track of our weather in Texas, too. This spring the conversation would shift to the great performance of **his** Chicago Cubs! Then, he'd ask about what was going on here. If it was Sunday, everything would be about church and Bible Class. His last words before we hung up were always, "Thanks for calling." The last conversation we had was on Pentecost, May 15th. He was so happy about being in church and witnessing confirmation, and attending the luncheon for the congregation sponsored by the confirmands' parents. What a beautiful memory to know that my last conversation was about his joy in being in the Lord's house and hearing the Word. The next day (May 16) his stroke occurred and he lost his ability to speak, and then to swallow. My brother, Will, made it from Portland on Tues., and my husband Charley and I on Wed. from Allen, TX. We, Pastor Rohde, and our son Andy were in the room when he died peacefully in the Lord on Thurs. about 2:30 p.m. Prior to this, Bible passages were said, Ps. 23, and the Lord's Prayer. Then Pastor Rohde commended him to the Lord and within minutes Father went "home" to be with Jesus. The Lord honored my brother and me with being able to witness both our parents' going to heaven (my mother in 2005), and for that we are grateful.

Family started coming in, and by the Lord's protecting arms all made it safely. My family: oldest son Matthew from Salt Lake City and Micah and our grandson Sam (about age 6) from Togo, West Africa. ((Rev.) Micah, a Theological Educator at the French-Speaking LCMS Seminary there had to get special permission from his Director to travel, but that was given easily. His wife Robin and little ones Liza and David had to stay due to slight fevers of the kids.) Our other son Andy, wife Jessi, and our granddaughters Avery and Isabelle (Izzy) have lived in Bremen since 2012. My brother's family: wife Suzi from Portland, son Kai and wife Lyn from Denver, and son Arick from San Francisco. Arick's wife Leesa could not come. My nephew Mark, wife Heidi and children Noah, Jack, Abby, Josie, and Wyatt live in Bremen as of last summer. (Mark's Dad) Charley's brother (Rev.) Len and wife from WI- Charley's brother Byron and wife from Grand Island, NE and our niece Sondra with 2 of their 5 children rode along too. All 6 grandsons were there and 8 of his 10 great-grandchildren.

The committal at the cemetery included military honors since my father was a WWII veteran. The six grandsons served as pallbearers. That was emotional! The memorial service at St. Paul's Lutheran Church in Bremen was a true celebration of life in Christ and blessed hope in the resurrection. The school children grades K-8 sang a special version of "Beautiful Savior" for the processional with was led by the crucifer (an elder of St. Paul's) bearing the cross. Included in the service were selected verses from the original Navy hymn from our hymnal The Lutheran Service Book and of course other hymns of resurrection and proclamation of the faith. My father had pre-selected three special Bible passages that were meaningful in his life. He left a note in his own handwriting why they were special. Pastor Rohde incorporated those into the sermon - Gen. 15:1 (his baptism as an infant and later his confirmation verse); Joshua 24:15b (his service in the Navy, marriage, and family); Luke 2:29-32 (Simeon's "song"--"Nunc Dimittis"-- which we sang at that point in the sermon--departing this life in peace because we have seen His Salvation.) Finally, one of the congregational members so beautifully sang "The Lord's Prayer" near the end of the service.

Let me speak a little about our father's love for our country. For us as his family to be able to witness such an honorable, respectful, and dignified military honors ceremony at the cemetery was indeed very heart-warming and of course, tearful. It no doubt made a lasting impression on all even down to the youngest ones who would be able to remember this expression of commemoration which included the flag folding (coordinated by the Veterans Department), gun salute (local veterans), and playing of Taps (local man). The head Navy officer who was sent to be in charge of the ceremony told us that he'd grown up in Seneca, IL. Because he knew that our father had served aboard an LST, he said he wanted us to know that he'd been told about the LSTs being outfitted (or whatever the term is) in Seneca. Our father and mother at one time had traveled back to visit Seneca for memory's sake. What a blessed connection to make that day. Our father was very honored to have served in the Navy during World War II. Although we always considered him a hero, he never wanted to take credit for anything more than with the comment "It was just something we had to do to preserve this nation's freedom." How he loved the United States, and his loyalty and dedication to this country truly earned him and others with him the title "The Greatest Generation." Before assisted living, when he lived on Poplar Drive, he tried to get the flag flown on his very tall flag pole as many days as he could. Before Andy moved to Bremen (and probably even after he did) he would call his grandpa especially on patriotic holidays and say, "Grandpa are you flying your flag?" Our father's reply was, "Yep!" This year his grandsons took care of flying Old Glory at his house on Memorial Day. He also never shirked the questions his grandchildren or even his children asked him about his WWII experiences. My mother was a keeper/saver; therefore, we have a bin full of WWII mementos from his years of service 1942-1948 which we will treasure for years to come. We even have copies of his honorable discharge papers. We can laugh, weep, and say a prayer of thanks as we read or look through these. But one thing is certain, he always knew that no matter what, his times were in God's hands as he served his country during those crucial years.

What most of you who are receiving this letter do not know is that our father was truly a living miracle as he had a stroke in Oct. 2014 which necessitated a move from his home on Poplar Drive (since 1968) to assisted living following rehab. He recovered from that. People, including doctors, never could believe he was as old as he was- being in his 90's because he actually was mentally alert, looking much younger than his age, and although using a walker physically very mobile. His eyesight was excellent and he could read his Bible and other devotional material each day and enjoy his sports and news (many times not so enjoyable) on TV. His hearing was impaired, but with aids he made do. He did have a fall in 2015 in which he fractured his ankle, but it healed so well after wearing the boot. On Jan. 4, (four days before his 95th birthday) he suffered a major heart attack. This took out about 3 portions of his heart. We were told he had about one functioning part left and a junction valve which the Lord puts there was also taking over temporarily. Four days later at the hospital and in a wheelchair in regular clothing, the picture of him with 7 great-grandchildren belied the fact he'd had a heart attack four days previously. We knew we were submitting to the Lord's timetable, but we were told when the Lord wanted him, he would likely go suddenly. He went into rehab and then surprised us again by being able to go back to his assisted living apartment because he was mobile. As the spring progressed we could tell that he was tiring out more readily, but he never complained. He was always ready and willing to go places (like to church/Andy's house/Mark's house) and receiving visitors. His youngest great-grandchildren (ages 2-4) called him "Papa" and would run joyfully into the room, almost knocking him over to give him a huge hug. To the "older" ones (age 5-10) he was their dear Great-grandpa, and they pretty much kept him supplied with pictures and homemade decorations for his door and room. Grandsons Mark and Andy set up a couple times when they had "tailgating"/grilling in the backyard of his residence (which we have still kept in Bremen). In fact, they had one a little less than a month before he died, and they remarked how much Grandpa enjoyed his bratwurst and beer and all the great-grandchildren running around wildly! We had a good laugh at that. Family was everything to my father and mother! Unfortunately, my mother died in October 2005 and never lived to see the first great-grandchild, Avery, who born in March 2006. But I know their hearts were full of unconditional love for us all!

Our father left us in his family with a rich legacy, but most of all he demonstrated what it meant to truly walk with the Lord. To be sure, this memory we will carry with us the remainder of our days. His are footsteps in which we pray we can follow as we remain firm in the assurance of the reunion that is to come in heaven. Therefore, I will conclude these thoughts with the closing my father used in his last Christmas letter and which he used on other weekly or bi-weekly family letters he used to write to us years ago.

**"May His Peace, and Love, and Joy remain with us all!"**

Cheryl Wildauer

Dear Fred and Lucy,

I am not aware of how my father struck up a correspondence with you, but I know through the past years when I helped him with his Christmas cards that your name appeared on the list. Following his stroke in 2014 and after he'd just moved into assisted living, he wondered about his Christmas cards. He knew that I had helped him by proofreading his letter and getting the envelopes addressed. But now he wasn't sure about what he should do since he had no access to his computer anymore and working on a computer was already becoming difficult for him prior to his stroke. I told him that we'd figure something out. Since my husband and I traveled to Bremen from Texas at Thanksgiving, Christmas, (sometimes during Spring Break as teachers) and during the summer, I had access to his computer at his house. That year I brought him to the house from assisted living and had him revise and dictate what he wanted to say. I knew that would be more difficult this year at Christmas, so at Thanksgiving I printed out his past year's Christmas letter and took it home with me to Texas and worked on the 2015 version and brought it back with me. At Christmas he asked again, "What should I do about Christmas cards?" I suggested that he should send ones to those out-of-town/state just so that they knew he was still around. (He chuckled at that!) Well, after all, he was one of the oldest members still at St. Paul's. He also would get so many cards from people in the congregation and from friends and acquaintances in Bremen, but I advised him this year he could just greet them personally; they knew he was still around. He was happy with that plan. So I showed him what I had done, and he was very pleased. This also gave me a chance to sneak in the personal note about a card shower for his 95th birthday on January 8th without him knowing it. He was still able to sign the cards/letters which he did in several sittings in order not to tire him out. In the end, I see the hand of the Lord because he was able to communicate this one last time with near and dear ones before the Lord needed him in heaven.

Thank you for being part of his circle of people who kept in touch with him and offered your friendship.

Blessings in Christ,

Cheryl (Helmlinger) Wildauer

Death, you do not win.
You cannot keep me down.
For I will rise again
And gain a robe and crown!

To see my Savior's face,
To be in that fair land,
Is greater far than any gain
The world can understand.

So death, you're just a shadow
To walk right through one way,
For on the other side
Awaits an eternal day!

die is gain." Philippians 1:21

# CHRISTMAS GREETINGS - DECEMBER 2007

*Joy to the World, the Lord is Come. Let earth receive her King.*
*Let every heart prepare Him room.... [and as the angel proclaimed]*

*"For there is born this day in the City of David a Savior,*
*who is Christ the Lord",* Luke 2: 11

What a wonderful Gospel message in Luke 2, is told of God's love for us sinners! This is the fulfillment of the promises to Adam and Eve and others in the Old Testament. We have this Advent season to prepare for Christmas. Meanwhile Our Lord is testing us with a world in conflict, with Bible teachings challenged, moral decay increasing, and works of Satan infiltrating our homes,family life, and even our government. Look now beyond to the siren Stable of Bethlehem. Yes, even beyond into the shadows of an empty Cross, and even an empty Tomb. It's all part of God's Mercy and Grace. What an opportunity then to share the true Joy of the Season, the ***Celebration of the Virgin Birth* of the *Babe of Bethlehem*, our *King of Kings*!** As we do this, God's children will be tested; however, never forsaken!

## Abide with us, Emmanuel !

Two (+) years have passed since Oct.15,2005, when our Lord took my dear Helen to Himself in Heaven. Life certainly has changed. However, wonderful memories remain. The presence of my Savior, my Lord and King has not changed. *Challenges* have changed to *opportunities* to do the Lord's will in time left to live out my pilgrimage on this side of heaven. Conditions change too fast some times. Our heavenly Father does NOT change. I have wonderful support from my family all living at some distance away. Since Helen's passing I have my sister, Ruth (God willing to be 92 yr. old - - Jan. 3, 2008) at the Bremen Nursing Home. I feel the responsibility to not only be her P.O.A. but to make daily visits to assist over the noon lunch hour. We have devotions together then. Ruth's vision is limited to one eye (and that almost gone); hearing to one ear. The use of a hearing aid helps some. Both our children,Cheryl Wildauer (TX) and Will Helmlinger (OR) keep in touch with evening phone calls to me and cherish each one. E-mail is used too, by myself and *others of my family. My E-mail: whelmlinger@kconline.com*

THE HELMLINGER's: Our son, Will, and his wife Suzi, are living in Portland, OR. Both are very active in the business world and Will seems to get his share of flying as part of the work schedule. His son, Kai with his wife Lynn live In Denver, CO and seem to enjoy that area. Arick Helmlinger and wife,Misty ... own (buying) their own home in Tucson, AZ. Arick and Misty's future plans are to move to Florida in a year or so.

THE WILDAUER'S: Our daughter Cheryl and her husband, Charley Wildauer (TX) made several trips to Bremen this year, including for our 2007 Thanksgiving Day get-together. Their oldest, Matt - single and a Civil Engineer is working on a major project of light rail between Ogden and Salt Lake City. Next is their son, Andy, his wife, Jessica, who were blessed with Avery (March 2006). They are in West Jordan, UT near Matt's home. Then there is C & C's youngest son, Micah, now an ordained Lutheran pastor since August 2006, serving Hope and Bethlehem Lutheran Churches in Milwaukee, WI & not too far from cousin, Mark Wildauer's family. Micah has been blessed and is a gifted pastor. Micah is up to the challenge of serving these two inter-city Lutheran congregations as their only pastor. Micah and his girl friend announced that they will be married in June 2008. She is Robin Bonar, from Missouri. The two of them visited me Thanksgiving for a few days. She's a wonderful young lady! She will fit into the Wildauer clan very nicely.

Pastor Leonard Wildauer (my son-in-law) is a Lutheran Pastor in Bonduel, WI - a few hours north of Mark, Heidi, & Noah's home. Noah's birth was in June 2006. and now he is walking (and running) everywhere. Len and Mark's family have taken on the "fever" of Green Bay Packer fans. Mark, like myself "love the Cubs". Len joined us in Bremen on Thanksgiving Day. in 2007. Our other grandson, Mark with wife Heidi and Noah reside in Jackson, WI. Len gets to visit Heidi, Mark, and his Grandson frequently. At various times during the year members of the family made trips to Bremen which I truly appreciated. On Jan. 8, 2008 (God willing) I shall turn 87 yrs. old , living in Bremen my entire life.

By the Grace of our Lord, I have been blessed with reasonable good health, especially during what at times seemed like long days without my dear Helen. Help came from our two faithful Lutheran Pastors and my Church Family at St. Paul's - Bremen. Yes, God is good! The Lord is gracious! Prayer is powerful. My humble pilgrimage in life will continue patiently letting "The Lord's Will Be Done". May we all heed the message of this Bible verse below. Let us proclaim the Gospel message of Christmas, the message of the Cross of Calvary, and of Easter's empty tomb.

*After the Angels had left them and gone into heaven the shepherds said one to another, "Come we must go to Bethlemhem and see this thing the Lord has made known to us".* ~~9~~Luke 2: 15 (NEB)

May the Joy, Peace and Blessings of a Christ centered Christmas be with us all !

*Bill Helmlinger*

We have had a good year, time is flying by! Here it is Christmas again and we have cause to reflect over the events of 2007. Glenn is finishing his work with Ohio Medical, now working from home. Ann still works part time with a great internal medicine practice close by. We are now officially empty-nesters, a very bitter-sweet experience. Our youngest son, Ben, started college at Brigham Young University in August and our youngest daughter, Katie, was married in September. We added one grandson to the family, Isaac John Ure, son of Heather and John, born in February. Because of a very fortunate business trip to Germany for Glenn in November, Ann was able to tag along for a once in a lifetime experience. The most wonderful part of the trip was seeing the places where ancestors lived so many years ago and actually being able to look at the old church records of their lives. What a great blessing.

FILE HELMLINGER

A very quick update on the kids: Matt (2 kids) is working in Vernal, UT; Nate (4 kids) moved his family to WA, still being a Navy doc; Tim (3 kids) moved his family back to Bethesda for a few years (hurray, close grandkids!); Ben Hawkes is taking classes at Howard Co. Comm. College; Pete and Emily (2 kids) are thriving in Orem, UT; Jennie (1 son, expecting #2 son) lives in Des Moines, IA where her husband is in school; Heather (2 kids) graduated from BYU & lives in Orem, UT where her husband is in school; Julie began law school at Yale, sharing commuting with her husband in DC; Katie and her new husband are in CO where he is in school; Ben Holt began college at BYU. Phew!!

We struggle to comprehend the magnificence of the Savior's life, love, and sacrifice for us. Yet, if we're prayerful, lean ourselves in His direction in scripture time regularly, love and forgive as He taught us by both precept and example, and serve others before we serve ourselves, as He did, we can become more like Him. As we do, He will fill us with His love, and we will know peace. How we need peace in our lives, and to have them filled with His love. This is our wish for you and all for 2008.

Love, Glenn and Ann Hawkes

Congratulations to you both! You will love life together!

And Merry Christmas!

# CHRISTMAS - 2010—Greetings
## Epiphany Goodwill
## Happy New Year— with Our Lord's Blessings in 2011
*December 2010*

Greeting to: - Lucy + Fred

Thank you for the Christmas Greeting

The Helmlinger/Wildauer Group, The Dobelstein Relatives, The WW II Vets Group, and in Bremen – Our St. Paul's Family, and other dear friends.

"For Unto us a Child is Born; Unto Us a Son is given..." Isaiah 9 v 6
'For unto you is born this day in the city of David, a Savior, which is Christ the Lord".. Luke 2 v11

Thus the Hope of all mankind rests with that Babe of Bethlehem.

These true Biblical accounts give us a sure hope! Even a strong hope while at the same time, this world in its turmoil, sinful ways seem overwhelming. A Hope that cannot be taken away from us. We have the assurance, a strong faith, of the O.T. promises of God fulfilled time and time again in the New Testament. Our faith is sure! God is a God of Love as shown clearly as we celebrate each Christmas. We fully trust His message of the Epiphany season. From Bethlehem's manger scene we also see the shadow of the Cross of Calvary, and the Empty Tomb of Easter. John 3:16 is truly the Gospel message of our salvation! As God's children we have been challenged but never forsaken. Our faith, trust, and hope in the future rests with our faithful and loving Lord and King. May His Peace, Love, and Joy rest upon each of you.

## Abide with us, Emmanuel.

Personally, in a few weeks, in January, I will reach the age of 90. Many years of blessing... too many to recall. Just an "Old" man getting older under His care. How great has the Lord's blessings been showered upon me over these many years! I still drive my 2001 Buick, check with the doctors regularly, and share much of my life with sister, Ruth Heiney who will be 95 in January. She has been in Bremen's nursing Home (5+ years), now almost blind, & also with hearing defects, but mentally alert. I spend full noon hours and evening supper times to help feeding, and for us to share in Bible study and devotions periods. As I do not have my family or relatives close, I have a loving and caring church family with the activities of St. Paul's Lutheran here in Bremen to occupy my time. God is good! Too, I have great relatives that keep in touch. Here are some random notes about my wonderful family that includes five (5) great-grand children.

THE HELMLINGER's — Our son, Will, and his wife Suzi live in Portland, OR. Where they both live and work. Their son and his wife—Kai anLyn, live and work in Denver, CO. Grandson Arick, the younger brother to Kai, recently moved to California. Both boys are in what I call computer science and are dedicated to their work.

. THE WILDAUER'S — of Texas, Utah, and Wisconsin: Charley and our daughter Cheryl,live at Allen TX (too many miles from Bremen) and are active at Faith Lutheran, Plano, TX. Retirement years are in their future. Cheryl is a 3rd gr. Teacher at Faith; Charley is in the math dept. in Allen, TX High School. Their son, Micah is now Rev. Micah Wildauer, a very gifted Pastor, married to a fine wife. Micah & wife Robin serve our Lord in Milwaukee's 2 inner city Lutheran churches. They have been blessed with little Samuel Wildauer. My Utah two grandsons are Andy and Matt. Andy and his wife Jessica and their two daughters (Avery & "Izzy" (Isabelle) are in Midvale, UT not too far from Matt (my oldest Grandson) who lives in Taylorsville, UT Matt is a very busy civil engineer working much on "light rail" transportation. All my grandsons are sports minded and keep me young at heart. All my grandsons are gifted and are a true blessing to their respective families.

More WILDAUER'S of Wisconsin: Pastor Len Wildauer and wife Kateri are serving a Lutheran parish in upper northwest Wisc Our grandson Mark (with lovely wife Heidi) and their two boys—(both "live wires")— Noah and Jack, live outside of the Milwaukee area in Jackson, WI. Heidi is an RN, and Mark is taking more education currently at Concordia University—Wisconsin nearby. They are awaiting child #3 in April.

Let us all join with the shepherds now..... And spread the Gospel message of Christmas.....

*After the Angels had left them and gone into heaven the shepherds said one to another, "Come we must go to Bethlehem and see the things which the Lord has made known to us". Luke 2:15.*

**Individual biographical text for Elizabeth LEWIS**

Since Elizabeth was born in OH, looked for a LEWIS family in Shelby Co. in the 1840 census..found a Joel Lewis in Green Twp. Shelby Co. He listed 1 male 10-15, 20-30- & 50-60 & 1 female 15-20 & 1 female 50-60. If Elizabeth was born in 1827, she would only be 13 in 1840(she listed herself as 23 on the 1850 census & 30 on the 1860 census??) On the 1850 census Green Twp. Shelby Co.OH. Joel Lewis is listed as 62 male b. Jersey- farmer-1200; Catherine Lewis 61 female-b.Jersey; Firman Lewis 13 male b.Jersey & Elenor Lewis 10 fem. b.OH.

On 11/29/61 he mustered into "I" Co. OH 71st infantry. He was mustered out on 11/30/65 (this was sent over Internet by Chris Barngraff, Fairfield, CA 94533.e-mail: cab@castles.com, who had seen my query on OHAUGLAI-L@rootsweb.com)

Sent for Civil War pension papers which are a little confusing. He says his first wife was Catharine Lewis, who died

March 1851 Newport, Shelby Co.OH. and that he had one child Frederick Jan. 8, 1850..and that Feb. 15, 1866 he married Catharine Fisher in Hamilton, Butler Co.OH. He resided in Troy, Miami Co.OH. for ten yrs. after disch. then in Dayton, Montgomery Co.OH. for 2 yrs..then Connersville ,IN. then in Brandt, Miami Co.OH. 1880. died 17 Oct. 1901 according to his widow. Says he was only married twice. If he married Elizabeth Lewis in 1859 and Frederick was born in 1850, he must have skipped a wife somewhere.

Unlike Santa Claus, I like to deliver Christmas presents early. Now I just need your mailing address so I can send these hard copies to you for your files. I found nothing yesterday, but had a few more books to wade through so didn't write until I completed my searching today. There was no Helmlinger/Hemlinger/Helminger baby born to Michael and Anna (Annie). Michael Helminger divorced Anna E Helminger on May 17, 1877 with a charge of adultery. Apparently Anna ran away with her man because the sheriff couldn't find her in order to serve the papers. The case number is 3199. I left the expedition number in the car, but will e-mail it this evening. I have copies of the sworn petitions for you to view. I think you'll be pleased with the information. I will send the receipt for the copying costs ($1.75) and you'll be able to figure out the postage from the envelope. My return address will also be there.

I'll get these items in the mail just as soon as I get your mailing address.

I'll get this to the post office sometime tomorrow. You should get it Friday or Saturday. Here's the complete information on location of files.

The marriage record is located on the second floor of the courthouse in the Probate Clerk's office in Book 5, page 525. The divorce record is on the third floor of the courhouse in the clerk of court's office . The case # is 3199 and the execution # is 4150. Just in case you come to this area and want to research some more. I couldn't find anymore information on Anna E. (Annie) Johnston.

Dear Ann,
Guess I haven't written since you sent that last data. I still am going over it and did find some errors that Dale Mann had on it. There are a lot of Helmlinger descendants!!!!

Right now, want to run this by you re: Elizabeth Lewis Hemlinger Rinehart. Someone wrote to me that Frederick Rinehart was on the Official Roster of the Soldiers of the State of Ohio. He had enlisted on 11-29-61 into "I" Co. OH 71st infantry...age 32. So I sent for his pension papers anout 3 mos. ago and just received those from the National Archives this past weekend. The puzzle deepens.
First we have on the 1860 census of New Knoxville, Auglaize Co.OH.(July 28) Washington Twp.
Frederick Rinehart-age 30-day laborer-pers. prop. $60 b/place: PA
Elizabeth Rinehart-age 30-female b.OH
Frederick Rinehart-age 6-male-attending school
Sophia Heminger-age 15-female-domestic-attended school
Elizabeth Heminger-age 12-female-attended school
1514-1448 pg. 196-Microfilm roll 931 Auglaize Co.OH.
We also know that Elizabeth and Fred were married 28 Feb. 1859 in Shelby Co.,OH.

Ok, from this I gather that Frederick already had a son from a previous marriage since he and Elizabeth were married in 1859 and in 1860, the son Frederick is 6 yrs. old.
Obviously Sophia and Elizabeth "Heminger" are Elizabeth's two daughters from her marriage to Jacob Helmlinger. Evidently she tossed the boys out with the bath water.

When I sent for the pension papers I asked them to copy the entire file..so I received 27 pages. the most important page which I thought would answer our questions is very puzzling.
Are you married? If so, please state your wife's full name and her maiden name
Answer: yes-Catharine Rinehart-Catharine Fisher.

When, Where, and by whom were you married?
Answer: Hamilton, Butler Co.OH.-Feb. 14, 1866-Mr. Furlough, JP

What record of marriage exists?
Answer: Suppose Certificate of JP in Probate Court Office, Butler Co.OH.

**Were you previously married? If so, please state the name of your former wife and the date and place of her death or divorce.**
**Answer: yes-Catharine Lewis-Died March 1851-Newport, Shelby Co.Ohio.**

Have you any children living? If so, please state their names and the dates of their birth.
Answer-One-Frederick Rinehart-Jan. 8, 1850
This page was dated June 4, 1898 and signed by Frederick Rinehart.

Ok, he evidently has omitted the first wife, the mother of Frederick. Perhaps the first wife was named Catharine and did die in 1851. The name Lewis is there anyway... Our Elizabeth must have died

>It's also conceivable that Joel, Ann, Ellen, Elenor and William all could
>have died before 1870, but I also can't find any burial info on them in
>Shelby Co. Just the death of Aaron in Port Jefferson, Shelby Co in 1876.
>But I can't find his burial place either. Maybe they are all buried in IN.
>But, what happened to the kids? Do you know where Elizabeth is buried?
>
>I hope we can connect Elizabeth with Joel. If so I can take your line back
>to 1611 in Holland. Pull up www.patpnyc.com/rdstout.htm then click on "his

Lucy

You've probably already thought of this, but if not you might try writing to the Shelby Co Probate Court for a copy of Elizabeth and Jacob's marriage license. If she was only 16 someone would have had to sign for her. That could be a clue as to her parents. The fact that this marriage is in the MVGI means it almost certainly is on file in the Shelby Court House.

The folks, listed below, moved from NJ to Shelby Co OH in abt 1835. I have "lost" them between 1866 when Aaron LEWIS married the widow Mary Blue, and 1872, when my Grandfather Walter Arthur LEWIS, was born, both in Shelby Co OH. I have a record that Aaron died in Shelby Co in 1876, but cannot find a burial record.

In the recently available 1870 OH Census Index, none of these people show up in Shelby Co. The only Aaron LEWIS, in the state, is age 51, in Athens Co, York Twp, Page 276.

By coincidence, perhaps, the only Jasper LEWIS, in the state, is also in Athens Co, age 24, in Dover Twp, page 145.

Does anyone recognize these folks? Or if you have access to the 1870 Census, would you be kind enough to look up the family composition for Aaron and Jasper for me? I would appreciate it.

## GEORGE HELMLINGER[1]

George Helmlinger, a prominent merchant of Bremen, was born in Stark county, Ohio, April 11, 1839, and is a son of Christian and Margaret (Chlemmer) Helmlinger. The father was born in Alsace, Germany, in 1804, and in his native schools gained a thorough education in both German and French, and for ten years taught both languages in Alsace. The mother was also born in Alsace, Germany. She died in St. Joseph county, where the father now resides.

Unto Christian and Margaret Helmlinger there were born the following children: Sophia, Christian, Jacob, George, Philip and Louisa. The first two we born in Alsace, Germany, the others in the United States. In 1835 the parents emigrated to America and settled in Stark county, Ohio, where they resided until 1841, when the moved to St. Joseph county, Indiana. Since coming to the United States the father has followed farming for an occupation. He resides on the old homestead where he settled in 1841, and is one of the oldest pioneers of St. Joseph county. His parents in a few years after his coming to America, came also, and died in Indiana. Their only daughter, Sophia, married in Philadelphia, and died there.

George Helmlinger, the subject of this sketch, was reared on a farm and received a limited education in the early schools of Indiana. Under the instruction of his father he gained a fair education in the German language. He left the father's home, at the age of sixteen years, and began work at the shoemaker's trade, which he followed exclusively for a number of years. In 1863 he began merchandising, which he has since continued in St. Joseph, Elkhart and Marshall counties, and since 1872 has continuously been in business at Bremen. He began life a poor man, but by a practical business career he has grown prosperous and now has a lucrative trade established, doing an annual business of about $18,000 in general merchandise. In 1859, March 10, he was married unto Caroline Bauer, born in Stark county, Ohio, October 3, 1841, of German parentage. The marriage occurred in Bremen, and has resulted in the birth of five now deceased children and two living children. Those that live are William and Henry. Mr. and Mrs. Helmlinger are members of the German Lutheran Church, and are among the leading and best respected families of Bremen.

## History and Comments

Christian Helmlinger was born in Alsace, Germany, in 1804 and in his native country gained a thorough education both in German and French, and for ten years taught both languages in Alsace. His wife, Margaret (Chlemmer) Helmlinger, was also born in Alsace, Germany. In 1835 the couple emigrated to America and settled in Stark County in Ohio. They moved to St. Joseph County, Indiana, in 1841. When they came to America, Christian Helmlinger took up farming as an occupation.

George Helmlinger, "*a prominent merchant of Bremen, was born in Stark County, Ohio, April 11, 1839, and is a son of Christian and Margaret (Chlemmer) Helmlinger...George Helmlinger was reared on a farm and received a fair education in the German language. He left his father's home at the age of sixteen years and began work at the shoemaker's trade, which he followed for a number of years. In 1863, he began merchandising, which he has since continued in St. Joseph, Elkhart, and Marshall counties, and since 1873, has continuously been in business at Bremen, Indiana. He began life a poor man, but by a practical business career, he has grown prosperous and now has a lucrative trade established, doing an annual business of about $18,000 in general merchandise. In 1859, March 10, he was married to Caroline Bauer, born in Stark County, Ohio, October 3, 1841, of German parentage. The marriage occurred in Bremen, and has resulted in the birth of five deceased and two living children. Those that live are William and Henry. Mr. and Mrs. Helmlinger are members of the German Lutheran Church, and are among the leading and best respected families of Bremen.*"[1] The business that George Helmlinger started was a retail dry goods and grocery store. His brothers and father were Methodist, but through the influence of his wife, he joined the Lutheran church as an adult.

Jacob Kiefer was born on December 7, 1824 and lived 77 years before he died on November 2, 1901. He emigrated to the United States at the tender age of 15 from his homeland in Hershberg, Bavaria. He lived at New York City for a few years, but then moved on to the Ohio region. He was married to Barbara (Appel) Kiefer on November 7, 1848. She also came to the United States from Germany. Mrs. Emma Helmlinger recalled that when her grandmother (Barbara Appel Kiefer) came over to the United States via sailboat, the passengers were overcome with joy when they first spotted land. To their dismay however, they had landed in Portugal and had to reroute their journey to America. Jacob Kiefer was the first Kiefer to settle in Bremen, Indiana. He moved to the community in 1852, after having lived in Mishawaka, Indiana. He is perhaps best known for establishing the first wagon shop in the small community. A well know family, the John Dietrich's, moved to the town 2 years later. Maybe it was Jacob Kiefer who then started the first "industrial park" in Bremen.

[1] History of Indiana: Special Edition for Marshall County, 1890. Madison, Wisconsin: Brant, Fuller and Company, 1890, Vot. II, pp.339-40,

Jacob Hans was a blacksmith for 50 years. He was born in Dosenheim, Alsace, on November 28, 1833. After coming to America in 1850, he resided in New Haven, Connecticut for 1 year. he then moved on to Mishawaka, Indiana. He was married to Elizabeth (Eslinger) Hans on February 18, 1856. Jacob had 2 brothers: Charles of Fort Wayne, Indiana and Philip of South Bend, Indiana.

Edward Kiefer, born and raised in Bremen, Indiana, lived to be 73 years old. He actually helped to chop down trees to settle his own homestead. Not being a rich man at first, the only crop his family was able to harvest the first winter was corn. This became their entire diet for one winter--corn! Even though he was raised on a farm, Edward Kiefer became quite an important employee at Dietrich's (a dry goods store in Bremen). He did much of the buying for this store in the 50 years he was employed. He was taken in as a partner of the company in the later years of service. Edward Kiefer married Malinda Rosa (Hans) Kiefer on November 6, 1884. Malinda Kiefer was quite ill during part of her lifetime, due to an illness which required 6 operations. One operation, as recalled by Mrs. Emma Helmlinger, was done in the kitchen of her home, with only a gasoline lamp to furnish the necessary lighting. Malinda Kiefer, a firm-believing Christian, died at the tender age of 50 from an entangled bowel.

John Bauer, Sr. was born in Alsace, Germany in the year of 1812. His wife, Margaret (Foltz) Bauer was born in Beirn, Germany, in 1814. The couple was married in 1834. Both John and Margaret emigrated to the United States, each with their own parents, in 1833. Margaret Bauer died in 1862. John Bauer remarried in 1865 and continued his farming occupation thereafter.

William Helmlinger was born in Bremen, Indiana, on December 26, 1874. He died on September 14, 1925, while at home, of acute diabetes. He was well-known throughout Northern Indiana for his keen interest in civic affairs, as well as for his occupation(s) in business. He operated the Bremen News Stand business for several years. From 1909 to 1913 he was postmaster for the Town of Bremen. He then became a partner in a clothing store, but his main interest was in having his own business. He began to devote his entire time then in the Bremen Poster Advertising Company, in which he became owner-manager. He became well-known throughout his area, because his business serviced the surrounding towns and villages. In addition to his prosperous business, William Helmlinger was interested in civic and church activities. He served on the local school board for 3 years, served as chairman and vice-chairman for the Republican Central Committee, and was a charter member of the local Kiwanis club. He also served as manager for the "Bremen Greens", a semi-professional baseball team. His religious activities included being a voting delegate to the district convention which decided to form Valparaiso University in Valparaiso, Indiana. He also was an active member of the Lutheran church in Bremen. On March 10, 1910, he was married to Laura Emma Kiefer. L. Emma Kiefer was born on January 19, 1886, in Denver, Indiana. She was only able to obtain an 8th grade education, because she was needed at home by her ailing mother. She was employed as a clerk in Ponader and Son Grocery Store at the age of 16. She was later employed in the dry goods department of Dietrich and Company in Bremen, until her marriage. In 1939, she bought the Betty May Shoppe, a women's clothing store, and operated it until her retirement in the 1960's. In 1972 the business was incorporated and she now presides as its President.

Dear Lucy::

A cover letter is appropriate to explain the family histories that I have compiled and enclosed. Don't you like long winded persons, like myself, that tell long tales? Those persons who like to make short stories long? Bear with me as I share some thoughts regarding the various family charts or reports.

Our daughter, Judy's college paper (1974) was done as a project while at Concordia Lutheran College at Ann Arbor, MI. She loved her grandmother (Emma Helmlinger), and I truly believe Judy did it as a tribute to her -- more than to me.

Some of my research has been done by reading from the Lutheran Church records regarding births and baptisms, confirmations and marriages, and deaths or burial services. Statistical records are fairly complete, except during the Civil War period. Amazingly accurate other times. Remember this congregation began as the first church in Bremen, the German Lutheran Church, now St. Paul's Lutheran Church. Established in 1846, the pastors then and in the balance of the century and until 1922 kept all church records in hand-written German. I am not one literate in the German speaking or written language. The Helmlinger's had a rich heritage in the community, the founding of the Lutheran Church (the first church in the Bremen settlement) and in most cases were leaders in the civic affairs of the area. With this in mind, I am able to research church records somewhat by myself and with the help of a lady across the street from our house who is our age and who is able from early childhood to be able to interpret German script.

The following are random comments regarding the respective Family Reports enclosed.

GEORGE WILLIAM HELMLINGER & Laura Emma Helmlinger Report: Surprisingly enough, all my adult life I thought that my father had no middle name but had a given name of William Helmlinger. I since have learned that he was George William Helmlinger and that he used William Helmlinger as his legal name. My mother, Laura Emma (Kiefer) Helmlinger did say that she always preferred the family choice of using her Emma Helmlinger name for all legal purposes, dropping the name Laura in most cases. [What a surprise to me regarding my parents. It only proves that in old age you can learn something of wisdom from others, if you are willing to do a little listening and a little reading].

CHRISTIAN HELMLINGER & Margaret Helmlinger Report: I am very sorry not to be able to find information on Margaret, the wife of Christian. This relative drew a complete blank via the church records. I am hopeful in doing further research on this individual, but it is not a high priority.

**#3 son Jacob and his family:**
I hope I have been helpful regarding Jacob's and Sarah's family. Apparently, Jacob, Sarah, and children, William, and Ida Mae lived most or all of the lives in the Bremen area community. Where they were born is a question to which I have no answer. Except they were born definitely in the USA -- and possibly in our area. Ida Mae lived in Bremen all of her life, and reached the age of 93 years.

An interesting story: Ida Mae (an old maid and often seen on the streets of Bremen) made headline news in about 1955 at the age of 90 years when she chartered a plane and a pilot's service at the South Bend airport and took her first and only flight of her life, flying several passes over Bremen and circling nearby communities. Regarding this family of four, the headstones are clearly legible with the birth and death dates but with no month or day listing on the markers. All four family members are on one family plot.

**#5 son Philip and his family**: Philip's wife, Caroline Schweisberger, does have Schweisberger descendants in our area, but I have not contacted them for information. Lucy, this family history of Philip and his offsprings has me baffled. I should state that Kenneth D. Cowles, Jr. (and my reference to him in the report he made in 1978) did make several visits to me some two decades ago for information. His final report contains helpful information and some questionable facts or figures.

The Kenneth Cowles, Jr. report lists eight (8) children of Philip and Caroline; that differs from your account. From the 1930's and 1940's I have recollections. This is as I recall now about whom I have listed as children #7 **Elmer** and #8 **Chester**. These two men, Elmer and Chester, in their latter years and perhaps their whole life lived in this area. Both of these men are buried in the Bremen cemetery but I have not specifically researched their burial plots. Elmer and Chester definitely are not in the same burial location as Philip and Caroline.

In the Old Cemetery section the gravesites of Philip and Caroline are clearly marked with a large headstone that lists just the husband and wife with the family name, HELMLINGER. With the individual names, Philip's dates are 1840 - 1922; Caroline's dates are 1850 - 1927. This Philip Helmlinger's grave monument apparently was purchased at the same period, within a decade or so of our own family's, namely, the Helmlinger's and Kiefer's. To clarify or reconcile the numbers, the names and other facts concerning the family siblings of Philip & Caroline Helmlinger, we leave to the future.

The Bremen Cemetery: It holds some secrets. However, markers tell lasting tales. Community records, sometime complete, others not so clear. Many settlers and families found a resting place especially in the section we know as the Old Cemetery. Currently the Bremen Cemetery is a remarkably well maintained burial site, and remains a distinct and proud part of the Bremen community. In the Old Section, with sandstone type markers, some are completely missing, other destroyed and removed, defaced, or even damaged with non legible letters and numbers due to aging. Yet, proudly each marks a grave a beloved family member.

In the Old Section, in the 1930 era, the WPA (with good intentions) realigned markers of the graves from random burial sites, somewhat out of line, into a presentable alignment. In the process many grave plots are unmarked today.

Cemetery charts and records now kept at our Town Hall, and at the Sexton's workshop office since the 1940's are very up to date and accurate. Prior to that date or era, apparently records were in the hands of funeral directors, or such groups. The change put it all under the direction of the Town Council,

and the active Cemetery Board. Personnel at the cemetery and the Town Hall are willing to assist at any time persons like myself on information search. Having served on the Town Council for 8 years, I still keep well in touch with the functions of local government.

Now we shall leave you to digest all the enclosed. Good luck, and contact me with any questions, suggestions, or remarks you feel appropriate.

As time permits, I shall continue to research, and expand on the findings and listings thus far provided. You, Lucy, have done a tremendous service in compiling the files on our (and your own) early ancestors, and you have motivated me to further work on discovering addition facts, figures, and biographical histories.

The first week-end in May, Helen and I plan to be in Salt Lake City, Utah at a grandson's (Andy Wildauer's) college graduation (May 7th - University of Utah) -- and flying out for that event. After the Utah vacation good weather for yard work that is a summer hobby for me may prevail. Helen has helped me prepare this letter, and her encouragement is appreciated as I have gathered the enclosed for your computer file.

Hopefully, Lucy, this all is more clarifying than confusing!

Kind regards,

Bill (and Helen)

*Dear Lucy,* *20 Sept 1998*

*I'm so glad to be corresponding again. I hope one of these days, probably when I am back in Indiana visiting, we can get together and go over things and get to know each other! Maybe sometime you could come out here and spend a week or so at the genealogy library in Salt Lake. That would be a wonderful experience. They have many many assistants there just waiting to be asked for help. I wish I could go every day for a month or so. The problem I have with genealogy is that every time I sit down to do it I have to figure out where I am again.*

*I am excited about Elizabeth Lewis Helmlinger Rinehart! I have come across Rineharts in the Helmlinger line before, but no Fred. They are in Dale Mann's line. He is a man my father used to write to. Elmer is his dad. They are descended from Ludwig and Christina Munch. I will enclose you a pedigree of his line. Dale sent my dad 178 pp. of Helmlinger people from that line, but he was not convinced that my dad was one of them. Do you want me to send you all 178 pp.?*

*Thank you so much for your sheets of our ancestors. So far, here are some notes I made: My dad was not the one who married Eileen Smith - she was married to his brother, Kenneth. Kenny was kind of a scoundrel, he married another lady before he was divorced from the Eileen. I don't think he ever stayed married to either one of them. Kenneth and Eileen were married 10 Oct 1936, later divorced. She was the mother of Marjorie Jean, b. 26 Jun 1937, and James Kenneth, b. 6 Feb 1939. James (Jim) married Carol Coulter, later divorced. Carol now lives in New Mexico. Jim died on Christmas Eve, 1996 of a heart attack. I always liked Jim a lot, he had a hard childhood and was a good man (police officer). I didn't see much of him after I was grown up though. He married a woman named Doris who was nice and they lived in Brighton, Michigan, where he died.*

*My sister's name is Susan Rebecca. She has always gone by Susan or Sue. Sara, her daughter, is a student at Univ. of South Carolina. David, her son, is a student at Univ. of Dayton (OH), I think.*

*I'm sending you a family group record of my family, too, to fill in a few dates and stuff about me.*

*My brother, Terry, now lives in Washington D.C. with his second wife, Mary. I can't remember her maiden name, because she was married before, too. She is a really nice woman, though I liked his first wife, too. Margie and Terry were too much alike and there often was too much conflict there I guess. Their daughter Jessica had a little girl, Abby, this year. She is not married.*

*I have Ludwig Helmlinger's birthday as 14 Apr 1806. I got that from his death record. I don't have any record of his actual birth, do you? The Phillip I mentioned before (Dale Mann's) is the one on pg. 14 of the sheets you sent me. He was married to Catherine Elsass. They were married 7 Nov 1788 in Wimmenau.*

*I am also sending you a pedigree of my grandmother Velma Hargrave, my mother's mother, who was descended from a woman named Margaret Hardman. I noticed you have Hardman's in your line. I don't know anything at all about Margaret yet though.*

*I will keep going through the pages you sent me and keep trying to find new stuff. I wanted to write off to you this week to give you some more things to think about. I am trying so hard to get everything organized so that I don't duplicate work I did 10 years ago or more. I don't have the internet yet, that just blows my mind how much can be done that way!*

Sincerely
Lisa

> Just wanted to also mention that a Library here has all the death records from Auglaize and Shelby Counties, so I will look for your Phillipe - Jacob there. There is also a chance that he might have died in Stark County, OH as many of these people were there before they settled in Auglaize. Will be happy to help in any way I can! And, Yes I am very interested in the book you mentioned, I have not seen it.

Hello Mary,

At first thank you for the assistance that you will be able to give me, it makes a long time that I'm seeking the trace of Philippe Jacob LEININGER and the fact to find someone on the net from the region or even of Auglaize seems to me to be an not negligible advantage and it is really possible that we could find commons ancestors on the level of METZ and HELMLINGER.

But before all ,do you know Wilfred Helmlinger of Strasbourg, he is not on the net but ,his works and publications allow me to give you these information. I can give you his address in Strasbourg .In his works he makes often reference to the USA, to Ohio and to a Church still called today "Helmlinger Church".He has written two memories , one about the ancestors and descendants of his woman in which I have found many information on my ancestors (Metz,Leininger,Munsch,Wolf ...) and an other about the ancestors and descendants of his own branch, the Hemlingers. I think that for the Alsatians he is the reference for this family and the fact to have published to the genealogical circle of Alsace his works could mean that he is practically arrived at the end of his researches and I think that it would be difficult and even impossible to go farther.
These two works are not on sale but available for consultation in the library of the genealogy circle of society of Alsace of Strasbourg, but photocopies are possible.
I am not very good at English and the assistance of a translator, - not always faithful to the original-, but especially of my daughter ,a student, is necessary, but it takes time especially to write. The reading is however easier .
I have at home only one of the two memories of Wilfred in which there isn't anything concerning the persons that you quote
in your mail but I am sure that the information that lack you, are in the other book in which I could have a look in the
Records of Strasbourg where I go about once a month.
I provide you the translation of a page of this memory ,the one of Balthasar HELMLINGER his most ancient Helmlinger found
by Wilfred and some words about his five children that I believe are roots of your branches but also of mine , and I would not be surprised of finding your name in the descendants of one of Wilfred Helmlinger's ancestors.

Perhaps you and I have information to share about the family of HELMLINGER's. This letter is for the purpose of making an initial contact with you. I am pleased to have your newspaper clipping, and the time today to prepare this letter.

A clipping from the South Bend Tribune (South Bend, IN) was given to me recently, maybe before Christmas 1998, that gave your notice or request for information on the HELMLINGER'S. I am (at age 78 years) the son, of William Helmlinger, - thus ... a grandson of George Helmlinger. My dob: Jan. 8, 1921. I have been a resident of Bremen, - Marshall County, IN all my life. I am married to Helen (nee Dobelstein). Her dob: 2-3-21 and on Jan. 30, this month we will observe our 53 wedding anniversary.

Incidentally, there are two (2) separate Helmlinger burial plots at our Bremen cemetery. At a later date I shall share with you birthdates, death dates, of many of our relatives as I have them in our file. Comparison of information will be interesting. My wife, Helen ( a native of Connecticut and I -- whom I met during World War II) -- have been blessed with three (3) children: Cheryl A. (Helmlinger) Wildauer, William Keith Helmlinger, and Judith E. (Helmlinger) Wildauer. Yes, Cheryl and Judy married brothers (Wildauer boys). Cheryl's dob is March 11, 1947; Willie's is July 9, 1949; and Judy's is October 20, 1954. Cheryl 's family lives in Texas, Willie's is Oregon, and our daughter, Judy, is deceased following an tragic auto accident that took her life along with grandsons Benjy and Timmy on June 26, 1989.

All the Bremen Helmlinger's have been members of St. Paul's Lutheran Church, Bremen - and our church records will have much of this information as our Bremen congregation was formed (established) in 1846, and a few years ago we celebrated our 150th (1996) Anniversary over an 18 month period, even publishing a 150th Anniversary book with list of baptisms, and birth dates. George (my grandfather ), and William (my father) were both prominent citizens, and active in civic, business, and church affairs in our Town of Bremen. I have pretty much had my share of experiences similar to both of them. I retired in 1987 after 34+ years as an accountant, business and office manager of a Medical Clinic in Bremen. -- Sad to say, I have not done enough genealogy work as I should have, but I do have Helmlinger data that certainly may be shared with you as time goes on.

My daughter, Judy in November 1974 did a "sociology report" while in college, and it was based upon:

THE FAMILY TREE OF WILLIAM EDWARD HELMLINGER (Yours truly)

Since then I have collected, but not in a very orderly fashion, historical information, etc. on Christian Helmlinger (born in Alsace, Germany, in 1804) - wife, Margaret (Chlemmer) Helmlinger, was also

born in Alsace, Germany. and some of their offsprings. George and his family moved to St. Joseph County, IN 1841 and were originally farmers by occupation. Bremen adjoined St. Joseph County (Indiana) about 2 miles North of the town of Bremen. South Bend and Notre Dame, IN is 20 miles North of Bremen.

As you know, George Helmlinger, was born in Stark County, OH - Apr. 11, 1839, and is the son of Christian and Margaret(Chlemmer) Helmlinger. George Helmlinger had six (6) brothers and sisters. His wife, Caroline (Bauer) Helmlinger had eight (8) brothers and sisters.

William Helmlinger, my father, dob Dec. 26, 1874 (died: Sept. 14, 1924) - was the oldest of the 7 children born to George and Caroline Helmlinger. My mother was Laura Emma (Kiefer) Helmlinger and her dob: Jan. 19, 1886. Our mother, Emma Helmlinger died on June 30 1979. - Wm. and Emma Helmlinger had five children: Louis F. (deceased), Frieda C. (deceased), Ruth E. (Helmlinger) Heiney (living here in Bremen). - Mary L. (deceased). - And myself, William Edward. Helmlinger.

Both my wife and I have been in reasonably good health. We trust that with this initial contact we will hear from you in one way or another. I personally have not checked out information from Stark County, OH for data on the Helmlinger records there. My wife had worked on and completed an extensive Family tree for her very large family (The Doblestein's) who had roots in Connecticut and at Bridgeport, CT where she was born and educated.

Thus, we shall try and assemble some information for you from this end. In your available time, please contact me, and share some information about your knowledge of the HELMLINGER's past and present. Also your own personal association with the Helmlinger clan.

Best wishes, and sincerely,

Bill Helmlinger

P.S. In my possession are the books: **History of Indiana, Marshall County - pub. 1890** that contain several pages of Helmlinger information to be shared with you.

My " original " family

Balthasar HELMLINGER ,HEMLINGER b. 1609, d. July 11.1679 Bischwiller to approximately 70 years, buried to Oberhoffen on Moder, soldier to the castle of Lichtenberg, where his presence is certified since 1664 . It has not been possible to this day to specify its origin place and its filiation ; its name certifies perhaps that himself or more probably one of its ancestors originated from Helmlingen, small village formerly fishermen, situated to approximately 20 km(14 miles) to the North of Strasbourg, on the straight bank of the Rhine River ; ulterior researches could have confirm the thing, as much that I have found a case of this gender in the parish of St ++Guillaume (Strasbourg) in the middle of 16ème century in the person of Hans von Helmlingen, fisherman to Strasbourg recorded in index under the name of Helmlinger
Unfortunately all these suppositions are very haziness, and could have be contradicted by a fortuitous discovery, certifying an geographical and etymological origin all different. The marriage, as well as the identity of the wife of Balthasar ++Helmlinger have not be found, for lack of sources, but by exploiting to the maximum available information, it has been possible to reconstitute surely the list of 5 of his children arrived to the adult age, dates of birth being all calculated according to the age of the defunct :
1) Susanna HELMLINGER (1644-1726) wife of Hans Caspar Metz, Reiperstwiller, couple who intervenes in the ancestry of the quasi - totality of residents of Reipertswiller .
2) Balthasar HELMLINGER (1651-1699), knitter of breeches to Pfaffenhoffen, married 2 time, father of 9 children but without currently known posterity.
3) Hans Jörg HELMLINGER (1656-1739), dyer to Ingwiller, spouse of Anna Sabina Beck, couple that has transmitted the name to a numerous descendance to Ingwiller, La Petite Pierre, Goersdorf, Hoffen, Saint Maries aux Mines, but also to USA(New - Jersey)
4) **Hans Philipp HELMLINGER (1659-1738)**, cultivator to Wimmenau, spouse of Elisabeth Zahn, original of Switzerland, couple that has given the name to a numerous descendance to Wimmenau, Erckartswiller and especially to USA (Ohio) through **Louis HELMLINGER ( 1806-1884)** who has emigrated with his wife to USA in 1834, basing in the West of the Ohio a called church again today " Helmlinger Church "
5) Marie Sybilla HELMLINGER (1662-1730), married 2 time, first with Jacob Zahn, forester, brother of Elisabeth Zahn, then with **Michael Elsass,** forester to Wimmenau, couple of that descend all Elsass of Wimmenau, whose several members have spread the name to USA (Ohio) to 19ème century .

Dear Lucy,

My name is Sean Holt from Sidney, Shelby County,Ohio. I am going to be 11 years old in August. My granny Aikin is researching her geneology on her family, and is teaching me. My paternal grandmother, Willa Irene Helmlinger-Holt, is also interested in looking for her heritage. She is without a computer and is deeply interested. My great, great aunt Cleola Weaver, just passed away. Is she a relative of yours? Cleola was Willa's aunt. Please e-mail me back within the next few days. I am excited about this. Please e-mail me about yourself.

Sincerely,

Sean Christopher Holt

Dear Lucy,
Don't worry about that! It's no problem. You've been very generous with information I've been looking for for years, so a few days isn't long at all! As you can see I often only manage to get online every couple of days. I have a ten month old son and 5 yr old daughter who keep me pretty busy.

I'm sorry to hear about your husband. It must be exhausting, emotionally as well as physically.

Here is what I have for Frederick's descendents. The strange numbers after each name can be ignored. They are the reference numbers in my program. In some cases you've got more info than I, which I haven't typed into my genealogy program yet (though I have typed in all his ancestry):

Great! Glad to help! You may already know this, but when you send for your pension file, take a big black pen and write on the top of the form "copy entire file". This may sound silly, but the little hourly employees at the archives don't copy entire files when you request them - they just copy what they think you'd like. I've had a lot of professional researchers and geneaologists tell me how surprised they were when the finally got to the archives in person and saw the file for themselves and lo and behold it sure had a lot more stuff in it than they received. Of course, writing "copy entire file" on the form doesn't guarantee they will, but it's worth a try.
Let me know how your research goes.

Hi, thanks for your note. Sorry I'm rather tardy in responding, but I've been working overtime a lot lately.

Regarding the 71st OVI, this unit was primarily made up of men from Mercer, Auglaize, and Miami Counties, Ohio. You didn't mention if you were from Ohio, but if you aren't this is in the West Central part of the state, North of the Dayton area.

I wish I had the time to put all my information up on a website, but here's a brief summary for you.

Their first major battle, was Shiloh, April 1862. They were with Stuart's Brigade (along with the 54th OVI and the 55th IL), part of Sherman's division, and since they were such green troops they were tossed out on the far left of the Union lines. Unfortunately, when the Union army was caught by surprise by the Confederates, the 71st ended up in the thick of the fighting. According to postwar accounts by the 55th IL, the 71st up and ran. However, recent evidence indicates that over half the regiment was sick (they had been stuck on steamboats in the river for days before there was room at the landing to land them, and most of them were suffering from infections caused by drinking river water, that had dead animals in it due to recent floods) and was sent back to Pittsburgh landing when the fighting started since they were useless. The rest of the regiment fell back to a ridge and kept the Confederates from working their way up a ravine. Unfortunately, their commander, Barton S. Kyle, was killed, and their Lt. Col, Rodney Mason (a political apointee) was useless, and no one could find him during the battle.

After Shiloh Grant put them in charge of guarding two important Tennessee river towns - Clarksville, TN, and Fort Donelson. Unfortunately, Rodney Mason

was in charge of the 6 companies at Clarksville, and was talked into surrendering by a Confederate gureilla leader (Col. Woodworth), who put on a show and convinced Mason that he had hundreds more men than Mason did. The men were taken prisoner, much to the delight of the townspeople, and were eventually parolled and returned to Ohio, where they were reformed. The other companies at Fort donelson, who did not surrender, spent a lot of time there as garrison troops chasing bushwakers and the like. Mason was cashiered for cowardice.

Due to the shame brought on by the regiment by it's commander, they spent the next few years in Tennessee as garrison troops, guarding bridges, railroads, etc. This was dreadfully dull duty, and they did have some behavior problems with drinking, gambling, etc., at this time, as well as a severe eye infection that swept through the regiment (disease spread rapidly) that left some of the men blinded for life. This was also stressful duty as the country was infected with Confederate Raiders and it wasn't unusual for their patrols to be ambushed.

The eventually joined Sherman during the Atlanta Campaign, where they fought in the Battle of Jonesboro, doing good duty, and then while Sherman marched to the sea, they were with General Thomas chasing Hood's army and suffered severe losses at Nashville (they were in reseve during the Battle of Franklin. After that, with the Confederate Army nearly decimated, they were, for some reason, sent to Texas, which is where most of the men mustered out. They had a high deseration rate at this time because the war was over and they were afraid they were going to be sent to fight the Plains Indians and that's not what they signed up for.

So that's a brief history of the unit - very brief. I have an entire file cabinet full of information on them, and it's really an interesting group. They got stuck with bad leadership at the beginning but managed to overcome it.

If you have any information on your ancestor that you'd be willing to share, I'd love a copy for my files. I'm trying to get as much information on the men of the 71st as possible and am always on the loockout for pictures, letters, anything!

If I can help you out with anything more, let me know.

Dear Lucy,

I just got online to find several new genealogy emails from you. Thank you! Seeing you know so much about Frederick's children I am interested in what info you have for Clara and if it matches up with what we have.. If you would like I can email you what I have. I have also been in touch with some members of Alfred's family and I see a few typos in some of the stuff you have for them. I could send you a bit more on them, too.

What got you interested in following lines other than your own? I would imagine after a couple of generations you'd have ALOT of Helmlingers! Especially if they all had asmany children as Frederick did! :-)

Do you know if Frederick was married before Margaretha? He was 38 when they married and family legend has it that he had a first wife, but I can find no proof of that. In fact, among his military pension papers is a copy of their marriage certificate which claims it is a first marriage for both.

If you would are interested in seeing what I have for his descendants, let me know.

Lisajean

Dear Lucy,

I've been looking through what you sent to me and I have a question or two. Do you know if Frederick's father was previously married? Because I have his older brother Phillip as being born in 1811 and now I'm wondering if maybe he was a half brother. Also you said that you had most of Frederick's children (except for the three who died in infancy), do you have any further info about them? I am the great granddaughter of his daughter, Clara, so I have her line. And I have recently been in contact with descendants of his son, Alfred, so I have some info about him. But I have very little about the other children.

And finally, how does the Jacob Helmlinger you posted about on GenForum connect to Frederick? I'm assuming your are descended from Jacob, right?

Thanks,
Lisajean

In a message dated 99-03-10 10:29:42 EST, you write:

<< I have all of the children listed for Frederick except Elizabeth, August
and
Arthur >>
Dear Lucy,

WOW and WOW again! I did receive several emails from you filled with info that I am thrilled to have! Thank you soooo much!
I onlt recently found out these three children myself, from another descendant of Frederick. I do not have any dates, just places where they fit into the birth order. Elizabeth was 3rd born, between Phillip (1862) and Katherine (1865). August was 12th, between Alfred (1880) and Antionetta (1886). Arthur was the 15th and last child. All three died in infancy.

I will right again after I've had a chance to go through everything you've sent me. And thank you again.

Hi, I just read your post regarding Jacob Helmlinger on the Helmlinger board at genforum. I also posted my own message there. I was wondering if you know if Jacob had any siblings? I have a Frederick Helmlinger born 1822, in Ingwiller, Alsace, parentage unknown. But he had at least two brothers, one named Phillip born in 1811 and one named Jacob. I have no data regarding Jacob. I posted what info I have on Frederick at the site. The only info I have of Phillip that I did not post is that he and his wife had the following children: Phillipina b. 1841, Jacob b. 1842, Henry b.1845, Phillip b. 1847, Elizabeth b. 1849, Charles b. 1852 and Augustus b. 1846.

I hope we can find a connection here. If your Jacob is the brother of my Frederick, I would be thrilled! And it would take me back another generation!

Dear Lois,

Enclosed is the 62 page descendancy text chart on the Balthasar Helmlinger Family. In some cases, the spouse does not appear, because I did not have a date for the marriage. Where you see pg. 131 by Wilford Helmlinger...that is reference to material the researcher in France has sent. In transferring information from my old Roots program to newer program, some information goes into the wrong slots, so the format is not perfect, but it will give you an idea of basic data. I have received a new packet of data from a relative in Utah, but could not incorporate it until I obtain a computer with a larger hard drive. That will be my third computer! Please let me know when you receive this information.

Best Regards,

2. Sophia

i may have an old one of my charts. I'll have to check my files. I do know that while looking in Allen Co. Ohio for my Cummins line, I found your Jacob and Lewis deeding land. I'll have to look and see where I put that. It's not with my Helmlinger book. Wouldn't you know. Well, it's late and I need to go to bed. All for now. I'm so glad I found you. I remember my Gr Gr Grandmther Helmlinger Sigler so well. She smoked a pipe and rocked in a rocker. She was a fisherman. Guess that's where my Dad got that. For now.

Hi, Lois, We sure do connect on the HELMLINGER line. Christian Helmlinger was a brother to my Jacob Helmlinger. My Jacob was born 22 July 1816 in Wimmenau, Bas-Rhin, Alsace, France, a son of Johann Christian Helmlinger and Catherine Elisabetha Franckhauser. Your Christian, must be the brother born 20 Dec. 1804 in Wimmenau, who married 20 Sept. 1825 to Margaret Schlemmer.
My Jacob came to America in 1835 and married (1) ca. 1836 Shelby Co.,OH. to Catherine Zarn, after her death, he married(2) my ancestor Elizabeth Lewis 10 Oct. 1843 in Shelby Co.,OH. One of his four children by Elizabeth, was my great grandfather: Milton Hemlinger b. 8 June 1848 in Shelby Co.,OH. Jacob d. abt. 1851 or so, and the children were scattered.It was always claimed that Milton was raised by the Indians. Anyway, on 14 July 1883 in Van Wert Co.OH., he married a widow(my gt. grandmother) Lucy Arvilla Foust Knestrick. Eventually they moved to Defiance Co., OH. where Milton d. 18 Oct. 1914. Would like to hear from you and exchange data. I am positive we are related. Lucy Weaver, Defiance,OH. north@defnet.com

# THE ALSACE

## HISTORY, GEOGRAPHY AND GENERAL INFORMATION

The area of Alsace has been a very troubled one in history. This beautiful region was always in the interest of the surrounding countries.

The first settlements in Alsace were Celtic.

In 58 B.C. it was conquered by Caesar and then belonged to the Provincia Germania Superior.

During the Migration 'of' Nations period it became Alemanic. With the victory of Chlodwig against the Alemannes, the Franconians conquerred and christianized the Alsace area in 496.

With the Empire Division in the contract of Mersen in 870 it became part of the East Franconian Empire. Through this contract Ludwig II receives after the death of Lothar II the east half of Lothringen.

Since 925 Alsace belonged to the Dukedom ? Swabia.

After the reign region of the House of Staufer, it was separated into the countries Lower and Upper Alsace. The Free Cities beside Strassbourg and Muelhausen, built the Ten 'City' Alliance in 1354 (Zehnstadtebund).

With the "Westfalian Peace" the properties of the House of Habsburg were given to France.

Louis the 14th extended his power control also to the Free Cities (Reichsstadte). Strassbourg has been occupied, but its connections to Germany still existed.

During the French Revolution the Alsace became part of France. it already was.

After the French Revolution the first invasions came to Alsace. The situation in the Upper Alsace was especially horrible. The first large emigration period started in 1815 due to this and years and starvation (1816-1817).

1789-1802

Many young men migrated in the 1840s because they did not want to become soldiers. About 125,000 Alsacians and Lorraines migrated at this time to America, but also to Algeria.

When Bismarck and his troops beat Emperor Napoleon III II in 1871 1817, the Alsace was taken over by Germany. It became the German Reichsland Alsace'Lorraine, including Bas'Rhin (Lower Alsace) and Haut'Rhin (Upper Alsace). The western part of Haut Rhin fought against the accession by Germany. This part was born in 1871 and named the Territory of Belfort.

In this time period many optants migrated because they did not want to be German. They migrated to America and Algeria and have been replaced with German citizens.

In 1819 it became French again and still remains to this day beside a short break in the years of the German Occupation (1940-1944).

Dear Lucy - 8/27/98

Thanks for the Sherwood article. I have finally started dabbling in family history again.

Here are some pages from a book called "Alsace Emigration Book" by Cornelia Schrader-Muggenthaler. The marks on the history page were already in the book when I copied them. Have you seen the book before? The original records would be good to look at, but of course they're hard to read. What are your ideas about who these people are?

Did you ever find out about Wm. Blakely? I know I've come across that name before. Have you gotten any more info from the lady in Boise, Idaho? I heard from Mary Caudle in Florida who said she had heard from you.

I hope to get to the library now the kids are in school. I have to refresh my memory on a lot before I progress much though.

I hope you are doing well & have had a pleasant Summer. We are all too busy out here —

Sincerely

Ann

P/S I can't remember if you've ever corresponded with Elmer or Dale Mann?

Dear Sharon,
Am forwarding to you the ancestor chart for Jacob Helmlinger. Yes, your Jacob is related. I think my Jacob was a cousin to Ludwig Louis Helmlinger. He died abt. 1851 and his wife remarried and the chn. scattered. My Jacob's son was also baptized as Michael in 1848 in the Helmlinger Church, but by the time he married my gt. grandmother, he was using the name Milton.
My line is: Lucy (Rulman) Weaver, dtr. of Erma (Wheaton) Rulman, granddaughter of Daisy M. Hemlinger Wheaton, gt. granddaughter of Milton H. Hemlinger, gt.gt. granddaughter of Jacob Helmlinger (1816-ca.1851), gt.gt.gt. granddaughter of Johann Christian Helmlinger(1770), gt.gt.gt.gt. granddaughter of Johann Christian Helmlinger(1732-1790) 5x gt. granddaughter of Johann Philipp Helmlinger(1696-1742) etc. My gt. grandfather was born in Shelby Co.OH. where most of the Helmlingers lived. He married my gt. grandmother in Van Wert Co.OH. and then about 1890 or so they moved to Mark Center in Defiance Co.OH. I guess you and I don't live too far apart. I have extensive data on the Helmlinger descendants in New Jersey and in Indiana. Too much to copy and send by mail. If you are ever in the Defiance area, stop and see me and I can print out a copy. Not sure how many pages it would be. The ancestor data is from a Helmlinger descendant in Wimmenau, France.

Let me know if you receive this ok.

Sincerely,

Lucy Weaver

2004

Dear Lucy & Gerald –

This has been the best and worst of years. My daughter Susan's husband, Larry, died suddenly and unexpectedly on Aug 1st of a brain tumor. He would have been 55 on Aug. 27th. We are still coping just slowly. He wasn't sick at all.

On the other hand, we had two weddings (granddaughters) and three babies (great-grandchildren!) They are a joy.

I'm still at the lake and managing alone but I'm surely anxious for Spring already. I am going to my grandson's house in Dayton for Christmas and probably to Susan's for New Year's. Then spring will be closer.

I hope you are well and have happy holidays.

Love,
Betty

Dear Family and Friends, Christmas 2006

We send our love and greetings at this Christmas-time. We love the music, the decorations, the gifting, and the renewed focus on the Savior this season brings. We find ourselves drawn more and more toward Him and His ways.

We find joy, sure direction, and the "peace that passeth all understanding" as we learn of Him and strive to follow Him. We are grateful for His love, His teachings, His scriptures, His prophets and His Infinite and Eternal Sacrifice that we might live again and have the promise of forgiveness as we repent in faith. His love for us is perfect, pure, always there, and completely sufficient for our needs.

We wish His loving influence in your life and ours. We know He lives and we also know that His loving arms are stretched out still to all who will listen and obey.

Here is an update on Mom, Dad and the young singles (Katie and Ben) with a couple of key events at the end that highlight our year.

- **Glenn** teaches Old and New Testament Sunday School; continues sales, marketing and hospital support for Ohio Medical; travels a lot.
- **Annie** is busy with the Relief Society, our women's service organization, and is an assistant for an Internal Medicine MD in Columbia.
- **Glenn and Annie** will move to their retirement home in Nauvoo, IL in June of 2008. An oak log home in a pine forest, it's now being rented to Nauvoo Restoration, Inc.. If you're called on a mission there you might get to live in it. If you visit, look for it at 505 South Iowa Street.
- **Katie** continues her schooling at BYU in Provo, UT, in the first year of a three-year program in choral education. She's teaching Spanish at the Missionary Training Center there.
- **Ben**, a senior at Wilde Lake HS, is completing college applications for next year; gets straight As in all AP classes; spent 24 days in Germany last summer courtesy of the German government, an award for his German scholarship and language skills. He'll be at BYU, Stanford or Columbia next year.
- **Two new grandchildren were born this year**, # 12, Ethan, son of Peter and Emily, their 2nd (Orem, UT), and # 13, Vivian, daughter of Nathan and Jeni, (Encinitas, CA) both born in May.
- **Glenn and Annie** enjoyed summer vacation Royer Lake in northeast Indiana, a favorite relaxation spot, with Mom Hemlinger, Terry, and Susan (Annie's siblings), and family.
- **Julie** lived with us part-time until June while she worked at her new job in DC and Golden finished school in NYC.
- **Heather, John, and Ashley (1)** lived with us May, June, July and August while Heather completed an internship in public health in Washington DC and John sold security systems in our area.

If you're out here with your grandson in PA give us a call! We hope you have a peaceful, warm 2007.

Love, Ann, Glenn, & Ben

TJ Hemlinger, Assistant Professor of Mass CommunicationsHi Lucy,
My brother has had an interesting career if nothing else. He would be doing better if he had finished his PhD from North Carolina. He never completed his dissertation. He loves teaching college, but doesn't want all the research pressures, etc. I don't know how he feels about Oklahoma. He is 57, the oldest child in our family, but has had a few problems over the years growing up should we say. He is a good person, but has had 2 failed marriages, mostly because he marries the wrong person, and for some reason can't give more than he takes. He has been on some medication that seems to be helping. He is smart though, and reads and reads, which is his salvation because I imagine that he is rather lonely. His daughter (from his first marriage) just had her 3rd child, the first one she adopted out, the second she kept, then married and now has another. So she is doing pretty well at last. She suffered from her parents' bad marriage. Her relationship with Terry is a little strained, due mostly to her antagonistic mother, but also because Terry wasn't the ideal father. Ah, the complexities of life......

Yes, my sister that may move to SC is the one whose husband died last August. There were only the 3 of us, she is the middle child, the one that I could never measure up to! Truly she deserves all the praise she got, and I the scoldings, but fortunately we lived through it all and are great friends. Funny how families work, how people can be so different from the same parents, etc. Well, she is still a great gal and she is very lonely. The problem of course lies with my poor mom, where she will end up. But the probable plan will be for her to go to SC in the winter and back to the lake in IN for the summer. My brother will probably spend his summer there as well because he'll have summers off from teaching. We would love to have her come here if she would like for at least part of the year, but I think we kind of drive her crazy. We still have a teenage son, and she is used to more peace and quiet. And we have 3 floors, not as much room as she likes, etc. So we'll see.

Adjusting to living alone is very difficult. Life certainly doesn't turn out the way we planned. Thank goodness for phones, computers, etc. I remember when I was a child and we lived in IN and my only grandmother lived in CA. Once a year we would get a phone call from her, and believe me it was a HUGE deal! We would plan it all by mail and gather around the phone waiting and waiting... what a treat it was. But once a year was all we could afford. Those were the simple days.

We got a new computer and I haven't been able to get my family history going on it yet. When I do, I'll start digging again.

Love, Ann

Lucy,
Thanks, I have looked at this site before. I am trying to prove that a gal named Martha CORDERMAN who married Jacob KISER was actually Martha COTTERMAN. I'm almost positive she is one and the same. But I haven't found anyone else descended from her that care. Oh well! I'll keep looking I suppose. I did find 2 more generations this week for KISERs if this works out.

The wedding was wonderful and beautiful. Emily is so very happy. Peter is a great guy. They went to Disneyland for their honeymoon and are now back in school in Provo. All the activity took more out of me than I anticipated and now I am sick. Yuck.

How was your holiday? I hope that everyone is happy and well.

Lucy,
Thanks for bringing this to my attention. You are right, and even more right than I knew before! My Mary Jane Kiser's (I need to think of a good nickname for her, she was such a "colorful" lady!) mother was Martha Cotterman. I am pretty sure that Martha was the sister of Andrew J. Cotterman's father. That would make Andrew and Mary cousins of course, poor Viola was their daughter that he didn't even acknowledge in his obituary (or whoever wrote it didn't) - she was named in John Jacob Hemlinger's obit, so I know that she was still alive.

Do you get confused with all your family information? I have binders of different lines, and I am trying to keep everything organized, but it is so hard to pull things out of my head when I need them. There are a lot of Cottermans and Kisers, I am trying to figure out who is who.

How are things going for you? Heather is leaving for Israel next Tuesday, and Julie is leaving for NYU on the 26th. I am going to go with Julie for a couple days, help her get settled, etc. I can't wait to see NY, I've never been there. My sister and mother are down in South Carolina planning a wedding for next April for Susan's daughter, Sara. She is marrying a true Confederate, he is a great kid.

Do you have lines going into England? There are some great CDs out with English information.

Dear Lucy,
I can't find my 1900 census record for Joseph, but this is probably the right one. All the kids were living with other people throughout the state. Apparently Mary Jane had given birth to Ernest whom "was not grandpa's, only grandma's", which understandably cause some contention in the home! John Louis must have left, Mary Jane moved in with her cousin, Andrew J. Cotterman, she is found there in the 1900 census with her son Ernest. I don't think any of the families legally adopted the boys from her "marriage" to John Louis. The John that Scott is talking about would be John Jacob, Joseph's older brother. I think I have the census for Sophia Alice May (S.A.M. the census) - she was married to John Coleman (after having his baby in the Auglaize Co. poor house), in 1903. Joseph's death certificate says both parents "unknown". But my father corresponded with him a little, I have a copy of one of the letters. And I corresponded a little with the wife of one of his sons, Clifford. So we know that he is indeed John Louis' and Mary's son, a brother to James Henry, my grandfather. Like I said before, I am finally getting the full scoop on this crazy family & I'll be happy to send it to you and to Scott. I sent Janice a gedcom of all the data I had, up until last week when a lot of this started fitting at last.

I hope all your family is doing well. It is so hot & dry out here I am turning into a raisin.

Hopefully this information can tie something together. I found the paper with my notes on them.

My notes say this is from 1900 census volume 20, ED 74, Sheet 9, Line 19 Clinton County/Washington Twnsp. It has been awhile since I have looked at that stuff so I hope that means more to you than it does to me :-) I have Joseph Preston born 13 Jan 1894 in Wampakannetta, Indiana. The only Wampakannetta I a can find is in Ohio right near the border of Indiana. The word used in the census said Joseph was enumerated with Herman H Mitchele (I
have Mitchell in one set of notes and Mitchele in another). I looked that word up and with the age of Joseph at the time, I took it to mean adopted. I have Herman born in Feb 1878 and Nettie born in June 1878.

I found another of your links where you were looking for brothers Michael and John Lewis. I also found a John (no middle) who was 11 years old in the 1900 census, I thought maybe he and Joseph were brothers (not sure why). I am not sure if it is the same John or not, the dates don't seem to match with your post.

I have been told that we do have Indian ancenstors, maybe another link? I did some reading about Wampakannetta and there were several tribes that settled in the area. I don't know if the tribe you mentioned in your brothers post was one of them. Maybe I'll see if I can find that book in the library again.

I also found Joseph Preston in the 1920 census. He was married to Flora Ritchey and had two children.

I don't know if this helps anymore or not. I have not been able to find anything past Joseph Preston, so if you we can find the link that would be excellent. I could continue going back that direction. I appreciate your assistance!

Thanks again,
Scott

Dear Lucy,
Is Scott saying that the Mitchell people adopted Joseph? That makes perfect sense, all the children were in the care of different families in the 1900 census. Well, except for little Ernest, who seemed to be the cause of all the problem (actually his mother's behavior, little Ernest was the result), who was in the orphanage. How many times have I wished for the 1890 census?
If only it still existed, we would've had things figured out forever ago.

But I have had great luck with this frustrating line in the past couple weeks. I am almost positive I have finally found Mary Jane Kiser's parents and grandparents. I will make you a gedcom when I get it all together so that it will make sense. After all these years!!! Betty Bevans has really helped, unknowingly, she just thinks she sent me a couple orphanage records. I wrote her a thankyou note and she did a little extra digging on her own. Mary Jane died with the name Kiser, not Hemlinger or Jackson or Cotterman. Anyhow, I'm pretty excited.

About Joseph, somewhere I might have the name of the family he was enumerated with on that census, I'll look & let you know. Thanks for alerting me!

Hello Scott, Just saw your message. you may have given us the clue we have been looking for..when you mentioned that Joseph Preston was adopted. Evidently the father of Joseph Preston was John Louis Hemlinger, who traveled around the countryside..evidently not raising his own children and may have had more than one wife. I am forward ing your message to Ann Holt out in Utah, who s a direct descendant of John Louis. Question #2..somehow our branch of the Helmlinger family was scattered after their father died and the mother couldn't raise the chn. they soemhow shortened their name...the Helmlingers that remained in Auglaize co. cousins to our bunch..evidently were wealthy farmers..our branch just happened to be unlucky I guess...We have data from Wimmenau, France and definitely the Hemlingers and Helmlingers are related. Yes, I have corresponded with your Aunt..and would be glad to exchangge data with you also...would like to fill in the blanks on the family..especially your line. I have forwarded your message to Ann Holt also..I know she will be excited about this adoption clue. John Louis was a brother to my gt. grandfather Michael(aka Milton) Hemlinger. Joseph Preston would have been a first cousin to my grandmother Daisy Hemlinger Wheaton.

Dear Janice,

I am enclosing an ancestor chart for you so you have some of the data I have accrued over the years. The total Hemlinger Journal is over 300 pages long, so felt this was the easiest to send for the time being. Just noticed that I hadn't entered Flora Ritchey's death date that you had sent to me. There are so many things scattered on my desk right now, don't think I will ever get organized. Heard today from your nephew Scott Hemlinger. Glad to know there are several family members interested in the family history. With all of us working together, we may be able to solve some of the mysteries. Ann Holt is excited about the prospect of finding new relatives . Scott mentioned that he thought Joseph Preston was adopted by another family which is very well possible since his father John Lewis was a transient. Still haven't found out much about Elizabeth Lewis ' parents or siblings.

Let me know when you receive this. Would like to have you fill in the blanks on your family for me.

I was reading through the history of the Helmlinger Church and I was wondering about the picture of Philip Helmlinger. Do you have a copy of the history? If you do, you will notice that this picture was taken from what is probably a family picture. I wonder who has it, and who else is in it. Whose hand is on his shoulder? Plus, the history says that "Rev. Joesting's records are well written and are certainly prized historical documents of the church." I think we should read through these records. It is just too amazing that there is so much history about one branch of the Helmlinger family and the other branch seems to have fallen off the edge of the planet. My research is indicating that my John Lewis and his wife (wives) were total losers, but how come his brother was such a fine fellow? BTW, what record do we have of Jacob's death in 1851? Did he die in Shelby Co.? Thanks.

Philip JAC(K)SON, lawyer, b. PA abt 1820, parents b. NJ. Wife:
Susana_______ JACKSON, school teacher, b. OH abt 1831, parents b. Ireland
At least some of the children:
James, b. 1857 in OH; Martha, b. 1860 in OH; Marareth, b. 1863 in OH; and Mary, b. 1868 in OH. This family lived in Wapakoneta in 1880. Living with them was: "Clifert" (Clifford), b. 1877 in OH. I think his father was C.K. JACKSON, mother probably Mary. His half-sister's obituary states that Clifford JACKSON was living in Alabama in 1935. Thank you for any help.

Dear Lucy,
We only made it to the Ogden gen. library yesterday. It's very small compared to SLC. But we had called ahead and asked if they have the 1860 census index, they said "yes", and then they didn't have it. They do have the actual records, but no index. But the good news is that I found an interesting item. In my John Henry HEMLINGER's sister Alice's obituary it states that she had a half brother Clifford JACKSON. All these years I just assumed that after John Lewis flaked out Mary Cotterman married (or at least fooled around with) his father, C.K. JACKSON. With Betsey's (my whiz neighbor) super sleuthing, we found little "Clifert JACSON" on the 1860 census, 3 years old, living with his grandparents and their other children. No mother. (why was I not surprised?) I can't even remember how Betsey figured out Clifford would be older than my Hemlinger boys. So Mary Jane COTTERMAN was married to C.K. JAC(K)SON before John Lewis. My guess is the CK died, but no proof yet. Still though, where did Mary go? Was she already married to John Lewis by 1860? But why didn't she take her little boy? Grandpa JACKSON (Philip) was a lawyer, his wife was a school teacher, so it looks like they were educated and responsible people. Probably little Clifert got the best deal out of this situation. Be glad Lucy that you are descended from Milton and not John Lewis! But again, how come all these great Lutherans didn't help this poor family out? Maybe John Lewis didn't want help, who knows. Maybe it's all Mary's doing, and I've been blaming John Lewis. I probably have been wrong in judging someone in my life before! (Maybe....!)

Look at the familysearch.org site and go to "custom search", "library catalog", do you see any films or books that I should look at that might help with Elizabeth LEWIS, or anyone else? I would be glad to look at any of your lines. You know what, I better put my shoulder to the wheel with Christmas for a few days.....one week left! My daughter Emily comes home tomorrow, then I better get serious. I hope you have a wonderful week! And I REALLY hope you get your computer back SOON!

Lucy,
>From time to time I get re-interested in the Helmlinger mess and then I get frustrated all over again. My neighbor is trying to help me, and she is a genealogy genius. We are going to Salt Lake tomorrow to work on it. I don't know how I can ever pay her back. But I think these people are hiding somewhere in who knows where!

Anyhow, yes, I wonder why no family members ever took care of the poor little orphans. Same as I wonder why none of my direct line is in that church record. But maybe they are, that's why I would like to look at it. Who would be able to? I have the address of the church, I think I will write to them. (Maybe I shouldn't tell them which Helmlinger I am descended from!) There are no land records, birth records, marriage records, etc, in either Shelby or Auglaize for John Lewis and his women. I guess I was wondering about his "nice brother", but I really meant his nice uncle, Jacob's brother. Oh well. In the church history, there is a picture of Ludwig and one of Philip, Philip is the one with someone's hand on his shoulder. I sure would love to see the rest of it.

I really want to get to that film and make a copy of Michael's signature for you. I need to find the # of the film. I remember so many could barely write their names back then, but he looked educated!

I have put out a few queries about some of my relatives. I have seen your name in a few places and so I haven't duplicated your queries. Maybe some day.......

You're right, I do have the article from the IN history. I forgot. No one knows anything about John Lewis either, although for some reason he has quite an obituary. They had 5 children and some of them don't even know who their mother was. Sad, huh?

I'll let you tomorrow if I find anything! Ann

Lucy - I finally got online, now we can correspond easier. I don't have any new information, however. Did you learn anything from M. Nippert? (I saw his query on Cyndis List.) Tonight is Halloween. My son has the bed covered in candy, and I am trying to resist. We had over 200 little goblins come to the door. They are so cute.

How goes the genealogy? I would give anything to find out about John Lewis's wives - which one was really my James Henry's mother. I don't have a marriage record for either Mary Kotterman or Jennie Kaiser. Did I ever tell you what I heard from the children's home in Sidney? It only confused the issue further.

I have been able to make some progress on my mother's line, although she doesn't really care, I do. It's funny how some people aren't interested in who their ancestors are, where they came from, what led them here, etc. I can't imagine.

Well, here is my email address. I hope that we can make some serious progress. I have a master family historian down the street from me. She looked at the Hemlinger line, but we haven't attacked it together yet.

Best wishes to your family,
Ann

Dear Lucy Weaver,

I was just doing a search on HELMLINGER and wonder if we may be working of the same family.

My particular interest is in the descendants of Frederic K HELMLINGER (12 Apr 1821, Alsace, France - 11 June 1906 E. Orange, NJ)
his father was Johann Philipp HELMLINGER (18 Jan 1778 Ingwiller France - 11 Feb 1847 Ingwiller, France)
his mother was Maria Elizabeth EBERHARD (10 Nov 1799 Pfaffenhoffen, France - ?) married 20 July 1820
Frederic married Margaretha KOEGEBEHM 24 Apr 1862, New York, NY.

Their children:
Frederick Alfred, Philip, Elisabeth, Katherine Margaret, Louis Konrad, Clara Elizabeth, Julia, Charles Edward, Harry Henry, Anna Barbara, Alfred W. J., August, Clinton, Antonette, and Arthur.

Have you ever run accross any of these people?

Thank you,

Janice Pate

In 1897 Frederck RINEHART of Brandt, Miami Co.,OH. filed for an increase in his Civil War Pension. He had served1861-1865 Co.I, 71st. Inf. OH. Vols. Believe this Frederck was married in Feb. 1859 in Shelby Co., OH. to Elizabeth LEWIS HELMLINGER, widow of Jacob HELMLINGER. In 1860 Frederick & Elizabeth were living in New Knoxville, Auglaize Co.,OH. with his son Frederick age 6 and her two dtrs. Elizabeth & Sophia HELMLINGER. On his pension papers Fred says he was remarried to Catharine FISHER in 1866 in Butler Co.OH. and that his first wife Catharine LEWIS died in 1861. Also says on his pension papers that he has a son Frederick. Since Frederick was age 6 in 1860, believe Fred was marr. previously. In 1901 Catharine FISHER RINEHART, filed for a widow's pension in Dayton, Montgomery Co.OH. Does anyone have information on this particular family? Elizabeth was my gt. gt. grandmother. Thank you.

After a time spent in constant Marching and skirmishing it engaged at Chancellorsville on May 2d, 3d, 4th and 5th, suffering great loss. At Gettysburg it was severly handled and afterward joined in the pursuit. October 27th it started for Chattanooga, reaching that point on November 22nd, and went into winterquarters at Bridgeport, Tennessee. In March, 1864, the regiment re-enlisted. Returning, it was engaged in the marches and battles of the Atlanta Campaign, and on November 15th it started with General Sherman's army on it "March to the Sea," fighting its last battle at Bentonville. It particiapated in the grand review at Washington, after which it was sent to Columus, Ohio and there mustered out of service, about September 1m 1865

Dear Ann,
Please accept my apologies for not writing sooner. When I read your note about your husband passing away in November, I laid your card aside until I could write an appropriate response. Then we decided to take a vacation trip and all of my correspondence went unanswered for awhile. I am so sorry to learn of Brandon's death. In our last correspondence, it was noted that he was getting better and I wished you at that time that he would do as well as my friend's husband , who is in remission. You certainly have your hands full with four children to raise and being so far away from the rest of your family. Just can't express how sorry I am.
I do hope that 1996 is much better for you and your family.

Recently received a letter from Wilfred Helmlinger in Strasbourg,France. He wrote in English, but sent some data in French. Said he hoped I could read and write French. Of course I can't. His letter was in perfect English..so I am writing back in English & sending him a copy of the Hemlinger data which he requested. If he sends more data, I will forward it to you. Am able to summarize my data into a genealogy format on my new software.

Your Dad would be so tickled to know that we have made connections with the Hemlingers in France. Perhaps he knows...

Keep in touch.

With Love and Best Wishes,

Lucy Weaver

Christmas 2006

Dear Lucy,

Christmas is here again. We have had cold but very little snow. That's fine with me.

All the family is fine. My son, Terry, is living with me, which is a lot of company but I have to cook once in awhile.

All three children and part of their families were here over the 4th of July week this summer and that was a lot of fun. For some reason, the lake does not attract them in the winter.

I visited Ann and Glenn in the spring and again in November. I always enjoy the visits. They are busy people. Ann works two days a week in a doctor's office. Their Emily had a little boy in the spring, their second. Heather has a little girl and is expecting a boy in February.

Julie and Golden don't have any children, they are living in Washington DC, Golden just finished his Master's degree this year. They are pretty typical big city, high activity people. They would like to go back to New York.

Ann and Glenn have bought a retirement home in Illinois and will move there in '07 or '08. It will be nice to have them closer.

I visited Susan in South Carolina in February and again in September. She had a second granddaughter in August. I can hardly keep up with all these grandbabies.

I will be home for Christmas but may go where it's warm after the first of the year. Susan and I are thinking of a trip to England in the spring, her treat. I really look forward to that.

Have a great Christmas and a good new year.

Love, Betty

Dear Roger,

Was so glad to receive your message re: Joseph A. Knott. I thought that if I put out enough messages here and there, I would find a descendant of that family. Of course, I am most interested in the tie-in with my Hemlinger family. Is your mother Elizabeth Ennis White still living? Does she remember anything about the family history? Elizabeth Hemlinger Knott died in 1916, when your mother was only six, but sometimes stories are passed down in families. Since you are also descended from the Hemlingers(Helmlingers), will mention that Jacob HELMLINGER, who married Elizabeth LEWIS, died abt. 1851 and the chn. were scattered, mainly the sons of the family..Elizabeth & her sister Sophia were living with their mother Elizabeth Lewis Hemlinger Rinehart in Auglaize Co., OH. in 1860..accidentally found them on that census. Couldn't find Eliz. & Fred on the 1870 census in Auglaize Co. Also don't know when or where Elizabeth Lewis Hemlinger Rinehart died. Does your mother know?

For years my family said that Elizabeth LEWIS HEMLINGER had remarried a Mr. KNOTT. When I found Elizabeth HEMLINGER KNOTT on the Warren Co. census, realized then that the family had the facts confused. My ancestor is Milton Hemlinger, brother of Elizabeth Knott Hemlinger.

Am enclosing your ancestor chart from the data I have on computer. Will be anxious to hear from you , either via e-mail or through regular mail. I wear binaural hearing aids, so at times don't hear as well on the telephone.

Marilyn Knott Taylor in Mason, Oh. may be contacting you. She has corresponded via e-mail and says she is only a "stones throw" from you.

Sincerely,

Lucy Weaver

"There are many fun and interesting things to be done on the lake. One which is probably a rarity. A wedding! I (the writer of this article) thought it was a unique thing when David and I were married on Norris Lake at Straight Creek Dock over 19 years ago, but it appears that another couple had the same idea. I'm sending you a Genealogy Report of my Knott line. Check it over and if you don't want it cluttering up your data, just give it a toss. I just thought you might like to see it. Also, I looked up Blakely in my Warren County birth/death books but found nothing. I really feel sure that there is a relationship here. The name alone is far from Smith or Jones and Maineville is a very small community and was even smaller back in the 1800s. Migrants came from Maine and you can guess how Maineville came to be. Could you send me your Knott line so I can add it to my data. Where can we go to find John and William's parents? I have checked Clermont Co. and Clinton Co. I couldn't find any information through wills/estates. My gr grandfather,John, also had an illigimate son by his wife's sister. It was soon after that John disappeared from any and all records. I have no idea when or where he died. ttyl

TRAIN KILLS MAN AT SOUTH LEBANON
William Knott Struck By Fast Train While Walking on Tracks

William Knott, 70, who lives east of South Lebanon, was instantly killed when struck by a Pennsylvania passenger train near South Lebanon Tuesday afternoon. The accident occurred about a mile and a half above South Lebanon. Mr. Knott, who was deaf, was walking on the tracks and it is believed that he did not hear the approaching train. He is said to have been facing the train as it bore down on him. He was hurled about a hundred feet from the tracts and the body was badly mutilated, the head being completely severed.

The train was an east bound express and had passed thru South Lebanon at 3:26 pm. Coroner W.C. Gilmour was summoned and investigated the accident. Mr. Knott is survived by a wife, two sons and two daughters. Mrs. Frank Sherod of South Lebanon is a daughter.

I have much more to give you, however, too much for email. If you send me

Dear Lucy,
Words cannot describe how grateful I am to receive the picture of Ludwig and Christina! As you probably know, I tried to call you last nite, just wanted to Thank You properly. I get very emotional about my father, as he died when he was only 61, and I loved him very much. The picture of Ludwig looks so much like him, it made me cry. We never had much contact with the family back in Ohio, so every thing I find out about them is very special to me. My father was a very kind and decent person, and I'm begining to understand where his values came from.
Every line of his that I've found leads back to this same group of families who founded the Lutheran Churches in Shelby and Auglaize Counties. It has been very soul filling to know all of this.
Let me give you the info on my lines:
My Father:
Orla Arlington Metz, Born 14 Sept, 1919 at Jackson Center, OH. Died 24 Jan, 1981 at Jefferson City, MO. Married Alice Rose Purdue, on July 7, 1946.
His Father:
Lewis Jacob Metz, Born 26 Oct, 1884 at Shelby County, OH. Died 26 Aug, 1945 at Jackson Center, OH. Married Louisa Gross on 25 Dec, 1912.
Lewis's Father:
Phillip C. Metz, Born 16 Oct, 1859 at Dunsmore, OH. Died 20 Jan, 1925 at Shelby County, OH. Married Barbara Cathrine Wildermuth on II Oct, 1882.
Phillip's Father:
Christian Metz, Born 29 Feb, 1828 at Alsace Lorrain, FR. Died Apr, I924 at Jackson Center, OH. Married SOPHIA HELMINGER on 15 Apr, 1856.

Of Course, this is where your Helmlinger family came in.

Christian's Father:
Jacob Metz, Born 14 Dec, 1798 at Alsace Lorraine, FR. Died 25 Feb, 1864 at Jackson Center, OH. Married Catherine Elsass at Wimmenau, FR on 03 Aug, 1819.

Catherine Elsass is of the same line as Cathrina Eliz. Elsass, both related to your Johann Christian Elsass born in 1737. I have a lot more info on the Esass line if you are interested! Back to 1660 I think.

Anyway, I have one more generation of the Metz line past Jacob, which is Phillip Heinrich Metz, and Sophia Elizabeth Scherer. Sherer is another name which is everywhere in the family! As you have mentioned before, it is a little scary the way the same names of these families keep

re-appearing over and over. But, every one I've found on the internet related to our families, seems to be very intellegent, so I guess all this marrying of cousins hasn't been too harmful! No wonder my father chose to marry away from Jackson Center, he was related to every one!!! Of course, He was the black sheep of the family for leaving home and marrying my mom. My mom says they never forgave him.

Anyway, thanks again for all the info, and I'll mail you the Elsass info if you'd like.

# Biography of Johann Michael Zwiebel

Submitted by Gary Carlsen - gkc@redshift.com

Johann Michael Zwiebel was the second child born to George Zwiebel and Katherine Salome Metz, and the first of four sons. Born on Christmas Day in 1806 in Lichtenberg, he would be the first Zwiebel to leave.

As a young man, he relocated to Rothbach, a small town just south of Lichtenberg, where at the age of 23 he would marry Magdalena Schneeberger on 9 July 1829. The second daughter of Johann Ludwig Schneeberger and Maria Magdalena Koll, Magdalena was born in Rothbach on 14 January 1810. Her family is well known in the area and dates back to the 17th century when her great great grandfather, Hannss Michael, was born on 20 September 1671.

Johann Michael and Magdalena would begin their family in Rothbach with the birth of their first daughter, Magdalena Lana, in 1830. Magdalena would be followed by two sons and three more daughters over the next 15 years. Shortly following the birth of their daughter Christine in 1845, the family would make a move that would change their lives forever.

Michaels exact reasons for leaving France are unknown, but the pioneer spirit and his quest for a better life for his family led them on their journey to America. Like so many immigrants of the time, the promises of freedom and land in the new frontier seemed to provide more than he could ever attain in his homeland.

It is uncertain as to exactly when they arrived in America, but the birth of Catherine in France in 1845 and their first son, Michael, in the new country in 1848, places their arrival around 1846. A check of the indexed passenger arrivals for all U S ports at the time show no Zwiebels arriving prior to 1846. Family members have indicated that they settled in a place called Pendicost, Pennsylvania, prior to their arrival in Ohio. Though several attempts have been made to locate this town, it does not appear anywhere in Pennsylvania in this time period. There was a Penticost in Susquehanna County in northern Pennsylvania, but it was not established until 1879 and changed its name to Forest City in 1886.

The first recorded reference to Michael was found in a land record dated 16 February 1848 in Allen County, Ohio. According to the record, Michael and Magdalena purchased a piece of land from George Delong near Lima, Allen County for $280.00. The sale was officially recorded on 21 April 1848 and witnessed by Daniel Bitter and Ludwig Helmlinger.

It is uncertain how long the Zwiebes stayed at this location, but Auglaize County birth records and St. Marks Lutheran Church records show their son Michael was born in Clay Township, Auglaize County on the 24th of June 1848, and christened at St. Marks on 30 July 1848. The U S Census for Ohio in 1850 shows Michael Swivel, age 43, living in Clay Township with his wife Magdalena and six children. Michas occupation is listed as farmer, and the value of his property was $1200.00. Catherine and Christina do not appear in this census, and no record has been located as to their deaths or burial in France or Ohio. Several people died on the trying journey across the Atlantic, and this may be what happened to the two young daughters. The possibility that the Zwiebel family did stop in Pennsylvania and the children died there is still unproved.

On the 18th of February 1851, Michael and Magdalena purchased another piece of property from Jacob Helmlinger in Auglaize County for $70.00. It is uncertain exactly where the property was located, but it consisted of ten acres and was recorded on 18 February 1851. On the 7th of September in that same year, Auglaize County birth records show the couples last child was born in Clay Township. Louis Arthur Zwiebel was christened at St. Marks Church on 7 October 1851.

The following year, tragedy struck the family on the 16th of May 1852 when Michael passed away. While the new country had been good to him, he never really had the opportunity to experience what he had strived for. To date, no actual record of his death has been located in Auglaize or Shelby Counties, but several family members have visited his grave in the cemetery next to St. Marks Church.

Magdalena was left with four young children to raise, as Philip was only 16 at the time of his fathers death. It is uncertain if George, who was 20 when his father died, was still at home to help his mother. On the 18th of December in that same year, the first daughter of Michael and Magdalena would marry, and two years later, in 1854, their son George married.

A strange event occurred in 1856, and the records do not show what may have led to the situation. On the 7th of February, Magdalena, acting as guardian to Philip, Michael, and Louis, filed a petition with the Court of Common Pleas in Auglaize County against her son George and his wife Sophia Zwiebel. The petition asked the court to force the sale at auction of property in GeorgeÕs name in Auglaize County. On 28 June 1856, the court ordered the sheriff to sell at public auction the property located on Pusheta Creek, and it was sold to Christain Elsass for $1500.00. Somewhere between the sale of the property and March of the next year, George and his wife and one son relocated to Papillion, Nebraska.

In February, 1858 Michael and Magdalenas daughter Sophia married; two months later, in April, their son Philip married and joined his brother George in Papillion. Magdalena, with two young sons to raise, appears to have gone to work as a governess in Clay Township. The 1860 U. S. Census shows her living in Clay Township with Michael, age 12, and Louis, age 7. At age 50, her occupation was governess. Her real estate was valued at $1300.00 and her personal property at $75.00.

In 1867, according to another land record, Magdalena appears to have sold the balance of the Zwiebel property in Clay Township. The record filed on the 8th of October shows Magdalena Zwiebel, wife of Michael Zwiebel, received from Christian Elsass the sum of $400.00 for eighty plus acres bordering on Pusheta Creek. Sometime between the sale of the property in Clay Township and 1870, Magdalena moved to her sons home in Port Jefferson. The 1870 U. S. Census taken on August 2nd shows Magdalena enumerated with Michael, his wife Sophia, and one son, Lewis. Before the census taker could reach Pusheta Township on the 24th of that same month, Magdalena had moved in with her daughter Sophia, her husband, and five children. The same census shows her oldest daughter living on the next farm with her second husband and sevenchildren. Her age is shown as 60, and she is still working as a domestic servant.

Magdalena apparently remained with Sophia until her death in 1894, as she was enumerated there in the 1880 U. S. Census. Auglaize County death records show she passed away in Pusheta on the 24th of August 1894 at the age of 84 years 6 months and 16 days. Her body was laid to rest in St. Marks Cemetery, thus bringing to a close the eventful journey that started across the Atlantic some 44 years previous.

Dear Mrs. Weaver:

We do not speak or write good English so we are hoping that you can speak and write in French. But I will try to write this letter in English:
We came across your name and address by corresponding with Mr. and Mrs. Fred. and Catherine Deonier (Boise, Idaho).
Catherine Deonier write that your ancestor was a Jacob Helmlinger who was born about 1816 in Alsace, France.
I am very, very interested about the descendants of this Jacob Helmlinger in U.S.A. and would like very much to find out how to obtain a copy of this material...
I send to you a little part of my material, but I am able, if you are interesting, to send to you also the rest of material, for example the ancestor of Johann Christian Helmlinger (1732-1790).
This Jacob Helmlinger is the only one who was born beteween 1810 and 1820 in Wimmenau. I think he is the good!

My researching concern the descendants of Balthasar Helmlinger (1609-1679), soldat at the castle of Lichtenberg, of whom Jacob Helmlinger, born in 1816 is descendant.

I would be very pleased to hear from you and maybe received information about the descendants of Jacob...

We wish you and yours a Happy New Year,

Sincerely

Wilfred Helmlinger

P.S: My researching concern exclusively the descendants of Balthasar Helmlinger, who are holding the name HELMLINGER

Dear Mr. and Mrs. Helmlinger,

First, my apologies for not answering sooner. Your letter arrived while we were away on a vacation cruise and am just now catching up with correspondence. Was very thrilled to receive your letter.

Secondly, I can not read nor write French, so will have to communicate in English. Let me compliment you...your writing in English was excellent!!!

Yes, my ancestor was Jacob Helmlinger(please note that later soem shortened the name to Helminger and Hemlinger..am sure all are related)..I know little about him except that he died at an early age with my gt. grandfather in his arms(Michael, later called Milton). Family legend is that the family was scattered with the mother being too poor to raise them. My gt. grandfather reportedly was raised by the Indians. He became the second husband of my gt. grandmother Lucy and had three children.

Enclosed is a copy of the genealogical summary of the materials I have on the Helmlingers. Also two articles from History Books that seem to verify the story of Jacob and the fact that Jacob's parents came to the U.S.A. also.

I will try to decipher the material you sent me in French(my son-in-law knows someone who can help me). Would love to have the rest of the material also. Let me know the charge for copying and postage and will be glad to send the amount. Not sure how our American dollar and French currency compare now..but can get International Coupons, I believe.

Thank you very, very much...and my husband and I wish both of you a healthy , prosperous New Year, also.

THANK YOU
FOR THE POSTCARD
YOU SENT- I
TREASURE IT.

Sincerely,

Dear Mrs. Weaver:

When I wrote you in February 1993 I sent you a set of pedigree charts for Louis Helmlinger, in case he was your line. I wrote our distant cousin, Wilfred Helmlinger, in France at Christmas and asked him if he could confirm if your Jacob Helmlinger belonged in our Helmlinger family. I received a letter from him in which he states Jacob was a cousin to Louis (Ludwig) Helmlinger. He has asked for your address and I am sending it on to him. You will probably be hearing from him shortly.

I am enclosing a pedigree chart beginning with your Jacob that shows his ancestors, and a family group sheet of his father and mother which shows Jacob as being the tenth child. You will note that Jacob did have a brother Christian Helmlinger, born 20 December 1804. Christian was a school teacher in Erckartswiller and came to America with his wife, Marguerite Schlemmer, and three children: Sophie, Christian, and Georg. He also thought that maybe a sister, Louise Helmlinger, may have come to the U.S. as he was unable to find a marriage or death record for her. I am sure you realize that Alsace had belonged to France, later to Germany, and now is part of France, so don't let the fact your ancestors came from Alsace, Germany, fool you as it is the same place.

Wilfred said a Linda Knerr of Wapakoneta, Auglaize County, Ohio, had calculated all the descendants of Louis Helmlinger. He received this information from Helen Elsass of Dayton, Ohio. Have you obtained any of this information from them or know of this record? I wrote Mrs. Elsass last February and she called me, but she has never contacted me since nor sent me any information on the Helmlinger families there. If you are or were able to obtain this information by Linda Knerr, I wonder if you would share it with me.

Sincerely,

Catherine Deonier

Dear Mrs. Weaver:

I received your letter dated February 28, 1994. I was disappointed to learn you hadn't yet received my thank you note telling you I had received the Helmlinger package and how much I appreciated all the information you had sent. I hope you have since received same.

Last time I sent you the family group sheet for the parents of Jacob and now I am enclosing family group sheets for the grandparents of Jacob and Christian Helmlinger (Maria Ursula Metz and Johann Christian Helmlinger), one for the great grandparents (Catharina Schrantz and Johann Philipp Helmlinger), one for 2x great grandparents (Elisabetha Zahn and Hans Philipp Helmlinger), and one for 3x great grandfather (Balthasar Helmlinger). You will notice that I do not have much information on the children except for your line. Your line and our line has to go back to Balthasar Helmlinger for a common ancestor. Wilfred usually only gives information on our direct line unless, like this time, I was able to connect him to someone related from another line of descendants. Possibly he will give you additional information on your line when he writes, and we can exchange data. As mentioned before, I will send you my line later when I have updated the information I have.

I haven't heard from Wilfred Helmlinger, but I hope that he has time to write you. Both he and his wife work and he says he has little time to spend on the family tree. In case you haven't heard from him yet, I will give you his address. As mentioned before he hasn't had much English but does fine reading it but sometimes has trouble answering in English but he does very good.

Dear Catherine,

Your most welcome letter arrived today with the **HELMLINGER** chart! It really made my day! It was so nice to be able to add four new ancestors to my charts and to verify that Jacob and Louis were cousins. Can't tell you how much I appreciate your help!

Am looking forward to hearing from Wilfred Helmlinger of France. I hope that he will write.

Enclosed among other things, you will find a History of St. Joseph County, IN,which helps to verify what you said about the brother Christian born 1804, married to Marguerite Schlemmer. Note also that George says that an only daughter married and died in Philadelphia! Also, more importantly, that his grandparents came to America and died in Indiana. I will check out St. Joseph Co., IN, but suspect they died long before any records were kept of deaths. The census may be helpful.

Yes, I had read that Alsace could be either France or Germany. I have so many German ancestors, that it is a nice change to see France listed.

Yes, I have some of the data on the Louis Helmlinger descendants. Like you, I had contact with the people you mentioned, but haven't had recently and am sure that I do not have all of the data.

In appreciation for your remembering me and sending the new data, I have copied the family group sheets for Louis' descendants and completed mine and am forwarding these to you. Please let me know that you have received these and keep me in mind for any new Hemlinger(Helmlinger) items. (You will notice on some records, I have the name both ways..that enabled me to pick up the name from one list in my computer). I am so fortunate to have the computer. If you have any group sheets you would like to send, I would be happy to receive those. Aren't you glad that Helmlinger is not a common name here in the U.S.A. Should make the research easier. (I have a John Smith, born in VA in one of my lines...!!!)

Thanks again..hope to hear from you soon.

Sincerely,

Lucy Weaver

Dear Mr. Helmlinger,

I was very excited to get the picture of your father. I am enclosing photo copies of two pages of the anniversary booklet which have the pictures of Ludwig and Philip Helmlinger, and also my parents wedding picture. I think there is a definite resemblance between Philip, your father and mine--the same forehead, deep-set eyes, mouth and they even combed their hair the same way.

I have talked with several people and they all agree that Philip Helmlinger was the first child born to Ludwig Helmlinger in 1835. In the anniversary booklet his baptismal sponsor was Jacob Helmlinger. No one seems to know who he was, perhaps he was a brother to Ludwig. Could he be your great grandfather? If he is the same Jacob Helmlinger who is buried on the cemetry (1842-1906) he would have been only seven years old -- rather young to be a sponsor by todays standards. It would certainly be more helpful if the early Helmlinger's would have been more original in choosing names for their children!!

I have gathered as much of the information as I could get of the Adam Helmlinger family, it took me a little longer than I expected. If you were able to get the family tree from Helen Elsass, this will bring it up-to-date. It was interesting to see how much information you already have about our family.

I have heard that you are considering coming to visit this area. If you do, I would like to meet you.

Sincerely,

Velma Zwiebel

Dear Mrs. Weaver:

I am writing you as a result of the letter you wrote to Pastor Koehler, St. Jacobs Lutheran Church, Anna, Ohio. Pastor Koehler sent your letter to Pastor John Gast, St. Mark Lutheran Church, Clay Twp. I am parish secretary for St. Mark's, and I too was a Helmlinger.

Almost three years ago I corresponded with Bob Hemlinger of Andalusia, Pa. who told me about you?, his cohort in Defiance. Pastor Gast gave me the original church record and asked me to look up the information for you. This is what I found in the baptismal records:

Jacob Helmlinger & Elizabeth nee Lunz (not Lewis) had a daughter
Sophia born Oct. 2, 1845, baptized Oct. 19, 1845.

Jacob Helmlinger & Elizabeth nee Lunz, a daughter
Elizabeth born Mar. 11, 1847, baptized Apr. 11, 1847.

Thomas - traced

Jacob Helmlinger & Elizabeth nee Thomas, a son
Michael born June 9, 1849? with an 8 below the 9, baptized July 1, 1848
written over a 9.

The very next entry is
Jacob Helmlinger & Elizabeth nee Thomas, a son
Philip born Oct. 11, 1849, baptized June 2, 1850.

The new pastor may have noticed that Michael's name had not been recorded

Michael is recorded at the bottom of one page and Philip is the first name on the top of the next page. At the very top of this page is the name of a new pastor. I really can't tell much difference in the writing. It seems to me that this record was all made at the same time. It goes from 1835 to 1883. Another bit of interest perhaps - Sophia and Nicholas Sherer were the sponsors for both Sophia and Philip.

Rev. Geo. Hauck
1846 - 1849
Rev. Heyd
1849 - 1851

The marriage record doesn't start until 1854. An Elizabeth Helmlinger and Philip Knerr were married Dec. 6, 1868.

The burial register begins in 1848. The only Jacob Helmlinger listed was born in 1871 and died in 1872.

A Sophia Helmlinger was confirmed on Trinity Sunday 1849.

I hope you find this information helpful. I'm sure that if the pastors 140 years ago whould have realized how valuable these records were to become, they would have done a better job of recording.

Sincerely,

Dear Mrs. Weaver;

My apologies for being so slow with this. My husband is very ill and we have to go to Lima every day for Radiation. Don't know why my sister, Zelma, and I weren't recorded wherever you found the information on the others. Hope this will help you.

Ive also inclosed an article from the Wapak news. If you don't have it — maybe you can find something you want in it. I would like to have it back.

Perhaps if you wrote to my Sister-in-law, she might have something you would want. She was Helen Helmlinger, daughter of Philip. A distant cousin of mine, but married my husband's brother, Ralph. They were over to Alsace-Lorraine last year.

Dear Lucy;

In looking over the information you kindly sent to me.I feel that your Jacob Helmlinger probably isn't a brother because the birth dates don't jive up with what the church in Wimmenau sent to me. He could possibly be a nephew of our Ludwig Helmlinger!!!

Philippe Helmlinger,brother of Ludwig was married in 1813 and Jacob may have been one of his children.My best advice to you would be to write to the church in Winnenau and ask them to search their records for your Jacob,,then we would know for sure. With all the similar names popping up in both familys, I feel like you do that there is a connection somewhere close.

Write to L'Eglise E'Vangelique
Wimmenau
Department Bus-Rhin
France

When you write give them the approximate birth date of Jacob and ask them to give you his parents names and birth and death dates of them. Also for his brothers and sisters names and birth dates.

I know in Shelby Co death book #1 I found a M.L. Helmlinger b. around 1828 and died Dec.1878 I have never found who this person belongs to , his birth would have been to soon to be one of our Ludwigs children. Do you have any ideas??

Let me know if you find any thing from Wimmenau on Jacob and I will include a short piece about him in the book I am typing up on the Helmlingers.

GOOD LUCK

Dear Lucy

I am very much interested in what you may have of Jacob Helmlinger!!
I wrote to Wimmenau to the Lutheran church & they sent me the following info. Please remember many times they don't take the time to get all the info, so many times children will be missing or dates may not be quite right, but any way this is the info they sent

Phillipp Helmlinger b. 1769 D. March 21, 1817 Wimmenau m'd Catherine Elisabeth Elsass. They had five known children all born Wimmenau

1 Philippe 1792-1855 m'd #1 Maria Scherer
#2 Madeline Elsass
2. Christian 1801- m'd Catherine Steinbach
3. Jacques 1802- m'd Catherine Scherer
4 Ludwig 1806-1889 m'd Christion Munch
5. Sophia m'd Michael Gross

I have not been able to find what has happened to Ludwigs brothers & sister, but I would like to be able to put some of your info into my family history. I have worked on Ludwigs family for 5 years now and I am down to the present generations. As soon as I am finished I hope to type up a book following the familys through.

Sincerely

Dear Lucy, Mar 1, 94

I'm so glad you sent the new information to my Mom. You are right, my Dad would be so thrilled! He worked for a lot of years on this project, with not a small degree of frustration! Maybe he is helping us out now from "the other side" & is jumping for joy!

May I ask how you came across these new names? You have for Johann Philipp & Catharina Schwartz the name of Catherine Deonier from Boise, ID. Is she part of our family? My mother-in-law lives in Boise.

I have a couple other questions. I have a marr. certificate for Phillip Helminger & Caroline Schwersberger ma. 8 Mar 1866 in St. Joseph Co., IN. Do you know who that is? Could it be #4182, who was born to Christian & Margaret (Schlemmer)?

Also I have a marr. cert. for Christian Helminger & Sophia Zumner; ma. 22 Mar 1860. (St. Jo Co.) Could that be #4176, also son of Christian & Margaret (Schlemmer)?

One more - Jacob Helminger & Sarah Chutinhelm--? marr. 13 Apr 1862, St. Jo Co., IN. Could that be another son of Christian & Margaret? (#4177)?

I have the death cert. for Jacob Helminger that says he was born 2 SEP 1839. If he died 16 Mar 1916, he was 76 yrs 6 mo 17 da. old. I think this was a D.C. you had sent my dad. The print-out however says he was born 2 Sep 1837 - that would make more sense if Christian was born 6 Jan 1840. Death certificates are often wrong about birthdates. Do you agree with 1837?

Again, I am so glad you wrote to my mother. I will get her hooked on this genealogy stuff some time before the 'millennium.' Actually she is gradually getting more interested over the years. Her line is coming along much easier if we just found a couple hundred relatives in Australia!

Oh one more question - Do you know where Eckartswiller is? (Where Christian H. & Margaret Schlemmer were marr.)

Thank you so much for all this wonderful information. I will get it all on my computer. I have the same program my dad had.

I always used to ask my Uncle Claud about the family & what he remembered (he was my dad's oldest brother), but he would always just say, "Your Dad's the one interested in that stuff." I wish so much he would've known something about his grandparents. Claud was born in 1914. He died last December (1993).

I will always be thrilled to hear from you. Next year my youngest child will be in kindergarten so I can start going to the gen. library in Salt Lake City.

Thanks again.

Sincerely,

Ann Holt

Dear Mr. Hemlinger,

To initiate our survey, we searched the Computer File Index, an index of approximately 60 million names. In this source we found no listing for any Helmlinger or Hemlinger in Ohio.

We next searched the Family Group Record Archives, a collection of six million family groups. The Family Group Record Archives yielded no group sheet for your ancestor.

The collection of family histories in the Salt Lake Genealogical Library (consisting of thousands of volumes) was then searched. This collection contained no history for a Helmlinger or Hemlinger family.

We searched the 1850 Federal Census Index for Ohio and found two Helminger families. Jacob's family does not have Louis enumerated but Louis could have been born after the census had been taken. Lewis Helminger Sr. has a son Lewis age two. Either family is a possibility.

We then checked for both families in the 1860 Federal Census. We found only Lewis' family. Lewis and Jacob could be brothers as they were both born in Europe, either France or Germany. Lewis Sr. in 1850 says he was born in Germany, but in 1860 he indicates he was born in France.

We began a search of the probate records for Auglaize County, but only had time to check one film index of three, and there were no dates listed in the index. There were a few Helmlingers listed (enclosed is a copy).

A thorough search of the probate records should be made. The 1900 Federal Census for Ohio would give you a birth year and where his parents were born. Lewis and Christina were both born in Europe, but only Jacob was born in Europe, his wife was born in Ohio.

ALL OF THE ABOVE REFERENCES PERTAIN TO ELIZABETH HELMINGER KNOTT AND HER FAMILY. ELIZABETH WAS THE SISTER OF MILTON HEMLINGER, WHO IN 1911 SENT A LETTER TO HER BROTHER FROM LOVELAND, CLERMONT COUNTY, OHIO, SIGNED YOUR SISTER, ELIZABETH KNOTT. ALSO SENT A PICTURE, WHICH REFERS TO LILY AND HER SON. BIRTHDATES MATCH ALSO. JACOB, HER FATHER, WAS BORN IN ALSACE-LORAINE, FRANCE(OR GERMANY) THE NAME KNOTT WAS MENTIONED SEVERAL TIMES BY FAMILY MEMBERS AND MISTAKENLY BELIEVED THAT MILTON'S MOTHER REMARRIED TO A KNOTT..CAN NOT PROVE IT YET, BUT IN 1853, AN ELIZABETH HELMINGER MARRIED A WM. BLAKELY, SO THIS COULD HAVE BEEN THE 2ND MARR.

Dear Mr. Hemlinger,

In looking through some of my Aunt Margaret (Hemlinger) Eitnier's possessions, I came across your name and address. I obtained your current address from the Ft. Wayne telephone book. Since I am presently working on the Hemlinger family history, thought of writing to you to see if you have any information. Also came across the name/James Henry Hemlinger Ft. Wayne % Dudlo Mfg.Co. and Bob Hemlinger % of Gerard and a letter from R. Hemlingerin Kendallville, Ind.

Let me give you a brief rundown on the information I already have and maybe you can tell if there is any connection.

________ Hemlinger and Elizabeth Huewt(birthplace Ireland)
(born in Germany)
Had a son:
(my great grandfather) Milton H. Hemlinger born June 8, 1848 Shelby Co.O.
(according to the family, Milton's father died when Milton was a baby and he was raised by the Indians and Elizabeth remarried a man by the name of Knott)
He died Oct. 18, 1914 in Defiance County,O. (according to his obituary,he left one brother and one sister)

Milton Hemlinger married Lucy Foust Knestrick and had these children:

Daisy M. 3-17-1884 (my grandmother) died JAN. 6-1963.
David twin....DIED IN INFANCY

Margaret Mae 2-10-1886 - (MRS. ERNEST EITNIER) DIED.
Albert Lewis 8-15-1888 - DECEASED

Daisy Hemlinger married Elmer Anson Wheaton and had two dtrs:

Erma 1905 and Thelma 1909(DIED 1970)

Erma Wheaton (my mother) married Harold Rulman and had one dtr:
Lucy 1933

Also came across a letter dated 1916 from Greenwich,O. signed your cousins, Mr. and Mrs. Joseph Hemlinger.

Hope you will forgive my writing to a complete stranger, but the name Hemlinger is a very unusual one in this area and took a chance that you might be related and might be interested in sending some information. Will enclose a self-addressed stamped envelope in hopes that you can and will reply.

Copy of your letter
in case you want one.

Sincerely,

Lucy M. Weaver
(Mrs. [illegible] F. Weaver)

Dear Mrs Weaver:

Please forgive my brother and I for not answering your letter sooner. My name is Robert E. Hemlinger - I am Claud Hemlingers brother and more or less the genealogist of the family.

Some years ago I spent considerable time attempting to locate relatives and tracing the line of descent of our name and was reasonably successfull. I made quite a comprehensive chart of the family tree, with all the information that I had gathered up untill that time. Now that there is someone else interested, I cant find the chart nor the material that I had collected. Damn!

Anyway I shall continue to search for it, I think my wife stuffed it in the attic someplace, and when I do find it I'll run copies & see that you get them.

Most of the names that you mentioned are familiar to me but I cannot, at this time, associate them properly in the family. The only one that is a complete stranger to me is the name "KNESTRICK". I remember when I ran across the name Wheaton - I was unable to associate it with anyone but now you have done that for me.

Incidently, James Henry Hemlinger, is Claud & my father.

He had two other sons and one daughter that are all dead. Mothers name was Alice Gertrude Sherwood from Upper Sandusky Ohio.

Joseph Hemlinger was my fathers brother, your great grandfathers brother, so we are related.

I am positive that any time you find the name, Hemlinger, it will belong only to our clan, so pursue it all you can.

At one time I was some kind of a nut on this but in recent years have done little or nothing. It would be quite interesting if we could both see what we can come up with together.

Will keep looking for my info & send it to you as soon as I find it.

Keep in touch,

Bob
Hemlinger

P.S. You can't be a complete stranger, as you said in your letter, we are related!

Dear Mr. Hemlinger,

Here I am back bugging you again about the Hemlinger family history. Though I have tried a great deal of research, I seem to be getting nowhere fast. To this date all I know about my great grandfather is that he was born in 1848 in Shelby County,Ohio and that his father was born in Germany and that the father died when my great-grandfather was very small. The family was scattered and Milton was reportedly raised by the Indians. Am enclosing copies of biographies from Shelby County,Ohio , Auglaize County,Ohio and Elkhart County, Ind. which list H elmingers (not our spelling, but close)..to see if any of the names ring a bell with you since you did research on the name. The write-up on Christian Helminger could apply to my great-grandfather's family since the father died and the mother remarried and the children were scattered.

Did I ever write and tell you that this summer (1975) I went to Greenwich, Ohio where Joseph Hemlinger had lived, but found that he had died in the 1940s and his children had all moved away.

Am quite anxious to get a few more details on the family..so anything you could tell me would help. My Mom(who is 70) has been helping me and is always so disappointed that we can't seem to discover anything.

Thanks again for any assistance you can give me.

Cordially,
Lucy M. Weaver

Dear Mrs. Weaver,

Just a note to find out if you are still at the same address and if you are still interested in finding out more about the Hemlinger family.

I just Returned from working in Japan for two years so I'm afraid I haven't accomplished much. Had a little handicap.

My wife & I drove over to Sherwood O. last week & found the graves of all people you mentioned in your letter back in 73. I was surprised to see Miltons name spelled Hemlinger instead of Helmlinger.

Recently found an obit of John Lewis, Miltons bro., his last name was spelled Helmlinger.

Haven't been able to find anything on Jacob yet, going to check all Auglaize Co. birth & death records soon.

Hope you get this, be interesting to hear from you.

Dear Mr. Hemlinger,

Received your most welcome letter and clipping today. Am inclosing a copy of a letter I sent to you in Feb. 76 & had returned (no forwarding address). thought you might like the copies of biographies which I found.

Did you ever find your copies of Hemlinger research?

Two years in Japan sounds very exciting. We have traveled but not out of the U.S.

Sorry you didn't get to Defiance when you came to Sherwood. We are only 11 miles farther. My folks live at 514 Corwin - If you ever get to Def. - during the day I am at the Def. Co. Health Dept. 113 Biede Ave. (I'm Director of nurses) - my husband works at Derrow Motor Sales. Please stop in if you are this way again.

thanks for the clipping.

dear Lucy,

Since you signed your last letter, Lucy, I'll take the liberty of addressing you the same way in our correspondence. Hope you dont mind.

Thanks for the sketches on Adam & Christian, they are interesting. If we can gather enough info on the Helmlinger clan perhaps we can sort out our ancestors before long.

We have another conscript helping us, my youngest daughter, Ann, has become very interested in the family & has recently supplied me with seven pages of vital statistics from Auglaize Co. I'll have copies made & send them to you, I havent had much time to analyze them yet so don't know if they will help. Ann is taking post graduate work at Brigham Young in Salt Lake City & they have one of the finest genealogy libraries in the country there.

Sorry we didn't stop or call when we were near Sherwood, we had a dinner date in Toledo & were running a little late. Promise to the next time. Incidently, my Mother was a, Sherwood, with lineage back to England. I've had much more luck tracing them than the Hemlingers.

Did you notice that John L. & Milton's birthday is only two months apart? I have sent to Columbus for their death certificates — maybe that will say something different. Hopefully they will also confirm the parents names. If I get any thing I'll send copies. Do you have anything that would confirm your great grand fathers birth date? I have only the Auglaize Co death records for John L's birth record but the informer may have guessed, as many have done.

Found three living daughters of Frank Blaine, John L's oldest son, they all live in Cincinnati. Dorothy May, the oldest 7 Nov. 1913 is also a nurse. She lives at 3200 Glendora Dr. I have corresponded with two of them but they know nothing beyond their father. Dorothy never married so her name is still Hemleign.

Let me know if you can come up with anything with the data from Auglaize Co.

Sincerely

Bob H.

Dear Lucy,

Just a short note to inform you of my new address, in case you want to inform me of any startling information about the Heimlinger family.

I'm afraid, I have had little or no time, to do any research, since my return to the States. Before, I thought that when I got back, I'd really take the time to dig into all the records I could find, but this job opportunity arose & I had to make up my mind in a hurry. Just too good to turn down

Anyway, I'm now located in an area that will make it a little easier to locate information, than Japan.

Have you developed any new theories from the seven pages of data I sent? I'm sure there's some answers to our questions contained in them but will take a lot of study & research.

Incidently, in this city of two million people, there's not one Heimlinger or Helmlinger, except me.

Sorry, I can't add anything worth while to your study, maybe latter.

dear Lucy;

Just a little more info to further confuse you.

I'm with you - I like Christians family ancestors, but seems I've hit a blank wall.

Talked to a recent german immigrant & he says that there is no name like HEMLINGER in the old country. He says it had to be HELMLINGER. Everything else like:

HEMLINGER
HELMINGER
HEMMINGER

is only misspelled names that were finally adapted. He is going to write a friend of his to make sure

There is no question in my mind that the family started in Auglaize Co. & Shelby Co. I think we are very close

Something interesting ~ Lewis Helmlinger son of Lewis has the same birth date as Milton. If Milton was raised by Indians, how could he possibly know where & when he was born For that matter ~ his Christian name. Appreciate your thoughts. I don't mean to indicate that they are one & the same, but could he have taken the birth date of his brother or cousin.?

July 1976

Dear Bob,

I'm sure that I wrote to you since last March, but can't find the copy of my last letter. Carbon copies are the only way I have of keeping track of what has been done or said. Anyway if I did not say it before, must express my sincere appreciation to you for all the information that you have sent.

On June 20, 1976 my folks and my husband and I went to Jackson Center, Shelby County,Ohio, made several attempts to contact some of the Helmlingers listed in the telephone book there, but since it was fathers day, everyone was gone.(I did copy all of the addresses from the phone book for future use) Searched for a cemetery and was told to go to Port Jefferson,Ohio where most of the townspeople of Jackson Ctr. are buried.

Here is the list of Helmlinger tombstones at Glenn Cemetery
Port Jefferson, Shelby.Co.O.

JOHN A. 1881-1946 & CLARA K. 1891-1975 (sent to Shelby Co. for d.c. later located it in Aug.Co.)
MICHAEL 1895-1965 & SELMA I. 1901-...... (received d.c. from Shelby Co.)
CLARENCE E. 1897-1960 & BESSIE I. 1902-19....(d.c. not available from Shelby Co.)
GEORGE P. 1896-19 & RUTH ICKES 1898-19.....
WILLIAM 1893-1970 & MYRTA 1893-19;........ (d.c. not avail. from Shelby Co
LEWIS 1872-1915 & CAROLINE 1870-1948 (d.c. not avail. from Shelby Co.)
PHILIP C. 1861-1935 & ANNA K. 1867-1936 (d.c. not avail from Shelby Co.
JACOB 1860-1935 & MAGDALENA 1864-1959
(received d.c. from Shelby Co.)

From there we went to Sidney,Ohio..we talked to Richard Helmlinger 849 S.Ohio Avenue... a leg amputee.. He stated that he was the son of Lawrence Jacob and told us about the Helmlinger Cem. His wife suggested that we talk to Christena Helmlinger age 94 who lives with her daughter Carrie Engelhaupt at 751 Crescent Dr. Carrie's mother had a very poor memory and was unable to tell us anything..but Carrie had a book listing the history of the Helmlinger church and promised to obtain a copy for us. She also promised to send any info she could get. Christena was married to John (now deceased) John was the son of Christ. (Since this visit Carrie wrote that she had contacted the minister about the history). Carrie also gave us directions to the Helmlinger Cem. but it was late by then and we had to start for Defiance. They also suggested that we contact George and Roy Helmlinger who live on the Shelby-Aug. Co. Line Rd. and are getting up in years.

After that visit I sent to Aug. Co. for the other death cert. I could only give the year of death(since that was all that was engraved on the tombstone) Aug. Co. wrote back that they should have the month that the person died because their certificates are filed by the month in books...(our health department has everything indexed alphabetically behind the year..thank heavens...)

On July 27 I took a vacation day and my folks and I went to Botkins,Ohio to tryto locate the Helmlinger Cemetery. After driving many miles and asking directions twice we finally found it. Enclosed you will find the copy of the inscriptions that I copied... Please note that the dates for the Caroline listed with Adam do not correspond with the dates on your graph..the dates you have on the graph must belong to another Caroline.

After visiting the cemetery, we tried to find Barbara Helmlinger at her farm across the road...according to the tombstone..she must be about 86. She was not home(we found out later that she is unable to live alone anymore.)

Next we visited the Lloyd Helmlingers down the road..they were making applesauce so we could not take up much of their time.. Mrs. Michael Helmlinger was there. Her husband Michael was born Feb. 23,1878 to Jacob and Carolina Barnhart and is living at age 98 in a rest home. She advised us not to go see him since his memory is gone. She also commented that this is all foolishness hunting up ancestors.(We let that comment go by us)..They also had been recipients of a letter from you..which they produced for us to read. I assured them you were 'bona fide' and that we were co-operating on compiling facts on the Helmlingers.

Next we went to Wapakoneta,Ohio to the Health Dept. and although Mom and I searched several books..we only found one cert.

JOHN A. HELMLINGER
born Feb. 6,1881
died Dec. 20,1946 of hypostatic pneumonia and uremia
(had cerebral hemorrhage sev. yrs.ago)
father: Lewis mother: Magdalena Kloppenstein
informant: Clara Wapakoneta,Ohio.

The death certs. from Shelby Co.:

JACOB HELMLINGER died July 22,1935 of carcin oma of prostate
with metastasis. age 74 y.11 m.27 da.
bur. Glenn Cem. Pt. Jeffersom..
no other info. on it.

MICHAEL HELMLINGER died June 16,1965 of bronchopneumonia
b. March 20,1895 in Ohio son of Jacob & Magdalena Zorn Helmlinger
was a resident of Jackson Center. Bur. Glenn Cem.
(his wife Selma and son Russel live in Jackson Center.

I am still working on the graphs and will send you a zerox copy of my computations. First I want to go to the Ft. Wayne Library and look and census findings for Aug. Co. and Shelby Co. and try to put everything together more accurately. As soon as I can take another day will go. Like you, I have a new job. Although I'm still with the health dept.,I am sefving as deputy health commissioner since our Dr. retired. This fall will be going to Toledo University to start work on a masters degree in public health to qualify as full-time health commissioner. Our daughter is enrolled as a freshman at Toledo U. for this fall.

Perhaps working together we can piece together a Helmlinger history. By the way..your letter to Lloyd said that you were orphaned at age 11... I didn't realize that..do you have information beyond your grandparents?

Also found an old Bible history that had L. Milton Helmlinger written in it so Mom and I have a theory that Gt. Grandpa's name might have been Louis..there is a Louis listed as a son of Jacon and Elizabeth...Evidently he kept in touch with his sisters...this must be the way that he knew his birthdate.

Also found among my research notes that Jacob Helmlinger married Elizabeth Lewis Oct. 10,1840 (not 1842 as indicated in the history..so some of the other facts listed might not be right.

An interesting item to note is that many of the Helmlingers died of cancer..at least it crops up quite often...I'm always interested in causes of death..because patterns do show up.

Sorry to be so late in answering your letter..promise to do better in the future..

Cordially,

Lucy Weaver

Dear Lucy,

I was just about to drop you a line to admonish you for neglecting me and our joint effort, your letter arrived this morning. Now I!m the one that feels guilty, you have been busy.

Before I get into the confusing and frustrating Helmlinger, Hemlinger or Helminger clan I'd like to congratulate you on your recent endeavor. The best of luck in your upcoming studies and your future bid for health commissioner.

Promise that , while you are in Toledo, that you will make an attempt to contact my oldest daughter, Susan Rebecca Thieben, 7045 Monclova Road, Maumee, 43537. Phone 419-865-0046. She works in the offices of Libby Owens Ford, her husband is a Chemist for Inmont Corp. Both are great people and would welcome any contact with you I'm sure. Susan is pregnant, first time, and could use a little reassurance and morale support from a knowledgeble person. Wife, Betty, plans to go there sometime in October to help her over the humps.

To answer your question about me---- Mother died a few months after I was born, I was a contributing factor, Dad died when I was eleven years old. I spent a few years in orphans homes untill they got tired of catching me & bringing me back. Finally they gave up & have been on my own every since. I guess thats one of the reasons why I am so interested in this genealogy bit. I'd like to know where I came from. I do not know anything about my paternal grandfather other than what you know. To recap--- John Louis Helmlinger, b. 17 Aug. 1848 or 1 Aug. 1850, d. 1 Nov. 1921, Duchouquet Twp., Aug. Co.bu. St. Josephs Catholic Cem. Wapakoneta Ohio. ma. Jennie Kiser ca. 1882, ma. Mary Jane Cotterman ca. 1890 ?,had six children between 1883 & 1899. I know all thier names and birthdates but the information I have on the places of birth must be considered nebulous. I think he was kind of a rascall & didnt stay in one place long enough to leave any records. His death cert. says that his father was Jacob H., but the informants were people from the infirmary where he died, how would they know? My maternal ancestors left a much better record, both great grand parents came from England and presently I'm trying to find out where.

Lucy, I don't think I have much to offer now in the way of new data but I have many feelers out & hope to have something reasonably soon. For instance, I have written to a lady that supposedly has some kind of Helmlinger family history compiled, hope she answers. Daughter, Ann is starting to dig into microfilm records of Shelby co., hopefully she can come up with data like she did from Auglaize Co.

Your finding about L. Milton, is most interesting. Pursue that as far as you can. I think also the second birth date of my greatgrandfather could be significant. He could be a brother to Milton if in fact he was born in 1850, no way if he was born in 1848.

My letter requesting information about the Helmlinger Cemetary was printed in the local Wapakoneta newspaper, you wouldnt beleive the response I have had. I have about five maps, an invitation to stay at a home while I do my investigating, as she called it, and offers to help me in any way they can. There is tremendous interest about the Helmlinger clan in Clay Twp. Since you have visited the place and transcribed the info from the markers I see no advantage for me to go there this fall.

You mentioned in your letter that evidently Milton maintained contact with his sisters, do you know any of them? How do you know that he had sisters? I have absolutely no information on John Lewis's siblings.

If you ever run into the name of Kiser or Kotterman (Cotterman) send me the info. I'm not even sure of who my paternal grand mother was.

I suppose you know this but you can get death certificates from Columbus for people that died after 1908.

Aug. 28-1976

Dear Bob,

Just a quick note to thank you for all of the material you sent.

My theories are: Jacob, Ludwig & the man in Stark Co. (see enclosure) were brothers. The Jacob mentioned in the church hist. is probably our Jacob and served as sponsor to Ludwig's child. The reason we are having a difficult time finding Jacob's descendants is that Ludwig's descendants are the ones we are corresponding with and Jacob's descendants have scattered to the winds since he died at age 35.

I think the same thing.

Where????

My Mom said that years ago a man appeared at their door who was a Hemlinger (possibly a bro. to Milton) and stayed for several days. Grandma Wheaton said at that time that the man traveled from place to place. Could this be John Louis?

Was very probably my ~~[illegible]~~ grand father, sounds like the old rascal.

Did you ever receive a reply back in 1951 to a letter you wrote to my grandma Daisy Wheaton? Thought maybe she gave you some information.

Never received any answer from Daisy. I even called her once but she seemed less than eager to even talk about anything concerning the family. That was when she was living in Auburn Ind.

Have to go back to library & redo 1850 census - I know I saw Sophia & Louis on that film when I looked over Mom's shoulder. Also will do 1840 Allen County since Auglaize was part of Allen Co. then.

Am leaving on 1 wk. vacation. Will send more data later.

Say thanks to your dtr. Ann for me! I did.

Lucy

Enclosed military and pension records of Jacob HELMINGER, this guy could be Chistians brother or our Milton or John Louis's brother. One thing strange----- According to the records, he did'nt marry untill he was 43 years old. Don't beleive that. Bet he was married before. I'm sending to New Sharen for his death certificate, maybe we can find out who his parents were.
One thing is for sure, he does not not belong to the Hloudowig Helmlinger clan. His Jacob was born in 1842.
Do you think we will ever untangle this thing?
Bob

Dear Lucy, 26 Sept. 1976

Who was the Louis Helmlinger that attended Miltons funeral?
Do you think that the Alice that Elizabeth Knott referred to in her letter to Margaret,could have been Sophia Alice May, John Louis's daughter? She married John Coleman, 16 June 1903, Fred Maybe, ~~7~~ 19 July 1910. There was never any children as far as I know.

Sophia Helmlinger, da. of Jacob, ma. Lewis Gamett, 23 Oct. 1860 Auglaize Co. Mother listed as Elizabeth Lewis.

Will send request for d/c for Sophia Gamett d. 28 Aug. 1911 to Columbus.

Maybe we could do some good with the Zorn family.

dear Lucy, 7 April 1977

Just rec'd my copy of the March-April Genealogical Helper & saw your request for info. Wished I could help!

Anyway the other party that is also looking may be of some help, let me know what you find out from M.D. Stude. Since one of my Uncles, Ernest Glenn, went to Illinois after a second marriage, maybe thats the connection. I hope not, hope this fella has info prior to that. I dont recognize any of the other names, do you?

I know you are very busy and deeply involved in your studies, so please let me know if theres anything you think I could do to help.

Some encouraging news, my daughter has located a man in, of all places, Toledo Ohio, who supposedly has a copy of his sisters thesis, for some academic degree, that was a study of the Helmlinger family. He said that if he could find it he would be glad to relay any info to her. He said also, that he was in the process of moving and that it may be some time before he had time to look for it. I've been bugging my daughter to crowd him but it seems he is not as interested as we are. Could be a goldmine & then it could be just some gal's

attempt to impress those people responsible for grading. If the paper has any credence, I would be glad to publish it under the authors name, just so we could get additional info from other people that may be exposed. The mans name is Helmlinger but I dont know anymore than that at this date. My daughter is not very pushy & if she cant get any thing out of him I'll let you know. – I let you know whatever happens! If I get back there this summer I may be able to see him. also, you, if you dont mind. My wife & I have no concrete plans yet – let you know when we do.

Just blew ten dollars on the Accelerated Indexing System – (locate your ancestors by computer) they found nothing under Helmlinger or Hemlinger.

Also I think we can forget the Hemmingers, I got civil war records of 13 men with that spelling & came up with nothing.

Some other interesting info: I recently talked to a lady here in Philly whose maiden name was Helmlinger. She came to this country ca 1947 from Yugoslavia with her entire family. She said that the name is quite common where she came from. I plan to visit her at her home soon & find out more. I may have trouble understanding her – she had a very heavy accent & her knowledge of English is very limited. When

she pronouces the name — I can't hear the first "l," When I ask her to spell it, she includes both l's. She also said that she thinks the name of Hemlingers is also in existance.

Been visiting the Philly Free Library often but it is not as complete, genealogically as the Fort Wayne Library — came up with nothing.

Daughter, Ann, in Salt Lake City, is so imbedded with her studies for her masters that she has had little or no time to help us with our project. She lives in Provo & for her to visit the library in Salt Lake City, she looses a whole day. Hopefully she will be done this fall, if my money & her sanity holds out. She is getting excellant grades and has recently been given an associate proffessorSHIP (whatever) so I think she is really working hard.

Incidently you are the Vice Pres. of the Helmlinger Society, since I paid the ten dollars, you know who is pres.

Keep me informed, Lucy, & I'll do the same.

Sincerely

Bet H.

Dear Bob,

Haven't heard from you in a long time..I am still researching the Hemlingers. Visited the Fort Wayne Library March 16th and came up with a few things that will interest you..I hope ! Remember some time ago you said that if I came across the name Cotterman, to let you know.. Well, Mom looked at the Soundex to the 1900 census and searched for Helmlingers in Ohio.. It showed: Ernest Helmlinger born June 1899 living in Salem Twp., Shelby Co.O. with Andrew J. Cotterman.. relationship not noted. Also Mary Helmlinger born August 1858 age 41 residing in the home of Andrew J. Cotterman, Salem Twp. Shelby Co.O. although it listed her as a servant. Also found S.A.M. Helminger born July 1886 residing in Moullon Twp. Aug.Co.O. as a servant with Elizabeth T. Ramge.(this must be Sophia Alice May. Have to look at the original census for more detail. Ran out of time.

I am busy indexing all the information which we have collected and will send you a copy when it is done. In the 1976 phone book of Botkins Ohio there was an Ernest Helminger listed on Twp. Rd. 181 Ph. 693-6547.. Could this be the same Ernest and if so, would this be your uncle? He would be about 80 and might be worth contacting for more information.

I believe that I was off on the wrong foot with the information that Mom gave me. I think that the Jacob and Elizabeth Helminger listed in the 1850 census are our ancestors..I think Elizabeth's name was Lewis and not Huewt and that after Jacob died in about 1851 she remarried in 1853 to Wm. Blakely. The Knott name comes into the picture through John Louis and Milton (alias Michael)'s sister Elizabeth. She is probably the one who married the Knott. Also there is an Indian tribe in Shelby Co. about that time by the name of Weas.. my grandmother said Milton was raised by an Indian tribe named Way..probably the way Weas is pronounced. The Civil War papers you sent on

Jacob Helminger indicate he had to be born about 1839(although one place he states that he was born in 1837) He was listed as 22 in 1861. He could be the step brother of our John Louis and Milton. We located Christian in St.Joseph Co.Ind. ..we know George was dead.. Sophia, dau. of Eliz. Lewis and Jacob married in 1860 to Lewis Gamett..believe she is the one who died Aug. 28, 1911... the other sister was Eliz.(Knott..which leaves your grandfather John Louis and my great grandfather Milton... it all fits. Also in Jacob of the Civil War..noted he was a carpenter..so was the Jacob that was married to Eliz. Lewis...

There was a Michael Helminger(note the spelling) who married Annie Johnston 10 Aug. 1874 in Shelby Co. your daughter's note: you should see his signature! Am windering if my great grandfather was married prior to marrying Lucy Foust Knestrick.. He had a very flamboyant signature.. Think I'll send for a photostatic copy of the marriage license and compare.. I can not connect any of the other Michael Helmingers with a marriage at that time.

Hope you don't think this letter is too jumbled to make sense... it is about 11 p.m. and I just returned from Columbus and got to thinking about all this mess and decided to jot down my theories. Please reply.

Dear Lucy: 4-9-79

Really good to get your letter, good also to hear that you now have your masters & an appointment that you must be proud of. Congratulations, I know how hard you worked, you amaze me

Thanks very much for the info on the Cottermans, as a result, I have a very good idea what took place in 1898 or 1899. I think there was some extra curricular activity among husband & wife & somebody got kicked out of the old homestead. One thing I am convinced of ~ John Louis was a scraggy old rascal, my grandfather & Mary Jane wasn't much better. No wonder I'm having such a time tracking them down. I have written to several Cottermans in the area but as yet, no response.

Re: Ernest Helmlinger, Botkins Ohio. I called the number you had given me but it is now a Real Estate firm of some kind. They knew nothing of Ernie. I then called information & they gave me two other names of Helmlingers living in the area. One was Paul Helmlinger, son of Phillip who was the son of Hloudowig (Louis). The other was ~~was~~ Paul's bro. Kirby. Also talked to Espa Gies who is a sister to Paul & Kirby. They had no idea who Ernest was - or is. Two daughters, Beverly & Barbara of Paul, live in Toledo, Eastgate Rd. 419-381-0855. They are twins and are 25 yrs. old. Talked to one of them but learned nothing new. Paul Helmlingers phone no. is 513-396-6207. If Hloudowig wouldn't have had so many kids it would probably be much easier for us to find the people we are looking for. The information operator also said that there was another Helmlinger in the area but the number was unlisted ~ any idea who that could be?

She was married 3 yrs later to Coleman

The S.A.M. Helminger you found is Sophia Alice May, da. of John Louis.

You mentioned Milton, alias Michael. Do you know definet that his name is Michael?

Think your correct about Jacob & Elizabeth - being our ancestors, wish we could prove it. Also I think Michael married Annie before Lucy. On my data sheet, I had made the notation. "Why was Milton 35 yrs old when he married Lucy - did he marry Annie Johnson in 1874 first? Do you suppose there were any children?

One thing still baffles me - Why wasn't John Louis listed in the 1850 census? If the census was taken 21 Aug, he should have been around some place.

Enclosed is a copy of a letter I recd from Global Research Systems. I blew $25 to find out what we already knew.

Also a letter & chart from Mel Stude - self explanatory I think. Maybe this is where we started from.

Also a census report, 1840 on Helmingers, Helmlingers Heningers & Hemmingers. I dont know wether to take the Hemmingers seriously or not.

Elizabeth b. 1827, 23 yrs old 1850 census. Married Jacob 10 Oct. 1840. Something wrong I think, or is my ma. date wrong?

Christian Helmlinger, son of Jacob & ~~Elizabeth~~ Catherine went to New Paris, Ind. 1878 & then ma. Elizabeth Stump ca. 1885. Bet he was married before leaving Shelby Co. Any thoughts?

If Ernest is alive someplace, he may be able to give us a lot of information. I could write a letter to him, Botkins Ohio, but

getting results would probably be futile. I'll try anyway. Since he is the only Ernest that I've found, I'm almost positive that he's my Uncle. Wonder if the telephone co. would have a record of the person that had that number before the real estate co.

My Ann hasn't been much help lately — she's been busy having babies. Have another granddaughter. What's the matter with boys?! My kids can only have girls. She & her husband live in Pensacola & of course my wife had to go down there to take care of our interests. For the present I'm doing my own cooking & I'll never complain about hers again. Just came back from the supermarket — first time I had done any shopping for months — I couldn't believe what it cost me — think I've been had.

Anything new I come across I'll send it on — you do the same.

Sincerely
Bob H.

Dear Bob,

Thought that I would stir up the Hemlinger Genealogy once again. Did some researching at Fort Wayne on Jan.21 and came up with a little more data...remmeber my mentioning a letter from Elizabeth Knott to her brother Milton in 1911 and also a family photo in which Elizabeth refers to her daughter Lily and son...well,the 1900 soundex yielded some info:
11 June 1900 Warren County, Hamilton Twp.
KNOTT, WILLIAM B., born Dec. 1843,age 56, married 36 years,born O. both his parents born Ohio. Elizabeth, his wife, born March 1847 in Ohio, age 53, mother of three children, two living. Her father born in France(Alsace Loraine was considered France) and mother born in Ohio(Elizabeth Lewis was born in O.) Also living with them was: WHALEN, LILLIAN, daughter, widow, born Jan. 1870 O. age 30 had 3 chn.,one living. WHALEN,ROY B., grandson of Eliz. and Wm., born Nov. 1891,age 8, born O. and both of his parents born in O.

HAS TO BE SISTER OF MILTON & JOHN LOUIS
BIRTHDATES MATCH

so then I procedddd backward through time:
7 June1880 Warren County. KNOTT,WM.,WH.MALE,AGE 36, married, born O. parents born in O. Agent for nursery. KNOTT,ELIZABETH wh.,fem., wife, age 32, b.O. Fa.born France,mo. born O.
KNOTT, JOSEPH, WH. MALE, SON, AGE 13, at school, b. O. and his parents b. O. KNOTT,LILLIAN, DAUGHTER, WH.FEM.,AGE 10, at school, b. O. and both parents b. O.

WONDER IF ROY WHALEN IS DEAD? HE WOULD BE 88 YRS. OLD

so far so good.... 13 June 1870 Hamilton Twp. Warren Co.O.
KNOTT, WILLIAM, age 25, m.w. farm laborer,b.O.
KNOTT, ELIZABETH, age 22, f.w. b.O.
KNOTT, JOSEPH, AGE 3,m.w.,b.O.
KNOTT,LILLIE, AGE 4/12 f.wh., b. Jan. O.

Then in 1860 could not locate any KNOTTS IN HAMILTON TWP. WARREN COUNTY,O.

Wonder how they ended up in Loveland,Clermont Co.O. or possibly did Elizabeth just write the letter from there??? Also searched fro Sophia Gamet in 1900 soundex of O. could not locate any Gamets. Will enclose two clippings containing the COTTERMAN name. My Mom says that my Grandma Daisy Hemlinger Wheaton once worked some COTTERMANS over around Van Wert,O.

Will keep you posted on anything else new... any other suggestions as to items to look for the next time I search the 1900 census.. could look for COTTERMANS for you....

Dear Bob,

Just returned from a visit to my parents where Mom showed me an announcement card which had been sent to my great aunt and uncle the Lee Eitniears:

Postmarked May 15, 1928

Announcing the marriage of Miss Nellie Raber to Mr. Ernest G. Hemlinger on Sunday the thirteenth day of May nineteen hundred and twenty-eight at the home of Dr. B. Earle Parker, Pastor St. Paul's Methodist Episcopal Church, Toledo,Ohio.

Would that be Ernest Glenn Hemlinger, your uncle? Did you already have this bit of information? Just thought I would pass it along to you for the record. Just spent a week organizing my Hemlinger records, but did not come across any astounding new data. I realized that I don't have much on your branch..including much about your grandfather's children..did he have six? Joseph Preston, Frank Blaine, James Henry, AliceMay, Mary and Ernest Glenn..are these the six?

(Maumee)
Does your daughter still live in Toledo? Did she ever come in contact again with the person who supposedly did the Hemlinger family for a thesis?

Noticed your new address on your Christmas card. Are you still with the same company? I will soon have been with the health dept. 26 years..how's that for being in a rut!!

All these are copied exactly as they were recorded, so some of the spellings vary. Notice after 1900 more info is available on marriages— comes from applications which weren't required earlier. There seem to be a lot of Christians floating around. Hope you can make sense of all this. These are all the available records except church records, probate records, & census records.

Lucy- this from daughter Ann, she said it took her 15 hrs to dig this info out.

Dear Zmaj,

Good to get your letter, been meaning to write but I really don't have anything to reveal concerning the Hemlinger records. To be truthfull I haven't been doing anything of late to find out anything. I'm the one in a rut.

Yes, Ernest G. is my Uncle and no, I did not have the info about his marriage to Nellie. The latest info I have on him is that he was divorced and had moved to Peoria, Ill. I've tried everything I can think of to find out more about him but he seems to have vanished from this world. It would be great if he was still alive and I could find

him. He was the youngest of the family, I think. Ernest also married a widow named Alice Berry sometime. I think it was before Nellie. 1900 Census says he was living with Mary Jane Helmlinger & Andrew J. Cotterman, Salem Twp. Shelby Co. I'll send you all the info on my Uncles, you left out one John Jacob & added one - Mary. No Mary that I'm aware of.

Daughter, Susan Thieben lives at 1036 Michigan St. Waterville Ohio 43566. She is no help on this family history bit. Too involved with raising children & taking care of her business. She is partners in a small gift shop. I've badgered her about this guy that was supposed to have the family history thesis but he dissapeared, I guess.

Yes we moved from an apartment,

bought a house & now I'm poor again. Anyway I have some equity instead of a pile of rent receipts. Still with the same company, guess I'll stay, unless they fire me.

Sorry I didn't respond to your letter in February. Many excuses. The information about Elizabeth was interesting. Did you get any response from your query in the Ohio Gen. Soc. newsletter? Are you a member?

If you are searching the Ohio 1900 census again, see if you can find out where James Henry Hemlinger was. I have a scribbled note that says he was in Butler Co. & was a servant to somebody. My illustrious family!

Got to go —

Sincerely

Bob H.

Dear Bob,

Was glad to receive your envelope with the family sheets on the Hemlingers. I was feeling kinda down since I was recuperating from an achy flu and was not able to celebrate our silver wedding anniversary on the proper date. Today I feel much better and am trying to keep moving and not sleep the day away.

Hope to get a chance to return to Fort Wayne for more research. Have to get caught up on my work at the office first, although I seem to have more vacation time, etc. stacked up than I have a chance to use...

Will enclose family group sheets for: Jacob Helmlinger, (both marriages); Elizabeth Helmlinger Knott; Lillian Knott Whalen; Milton (alias Michael) Hemlinger; Daisy Hemlinger Wheaton; Erma Wheaton Rulman; Thelma Wheaton Kernes.

Will write later when I find more clues.

Thanks for the family sheets..

If you want one of these - or some - for any other names - let me know

Dear Bob,

We haven't corresponded for quite awhile except for our Christmas cards. Hadn't had much time to do genealogy until recently. I had a chance to look at the 1910 census and came up with some new information that I'd like to share. Will enclose poor carbon copies of the family sheets. Thought that I'd save time by making carbons and didn't know that they would come out so messy. If you can read them, you will probably want to recopy onto your own sheets. I ran out of family sheets or would have redone them.

In looking over the data you will see that:

1. Sophia Helminger must have been married to Lewis Gamett(Ganett) in 1860. Sophia is the sister of your John Louis and my Milton/ We had the date of a marriage to Lewis, but before had no proof that it was our Sophia..especially since she was only 15. Lewis Ganett(or Gamett or Garrett) was living with Lillie Whalen, dtr. of Elizabeth Helminger Knott in 1910. He is listed as her cousin. Was unable to locate any other Ganetts, Garrets or Gametts in the 1910 Miracode, although presumably Sophia was still living then. Perhaps she was not living in Ohio, though. You recall in the letter of 1911 from Elizabeth Knott to my Milton Hemlinger, she mentioned that their poor sister had died three days before..pinpointing the death of Sophia as 28 Aug. 1911..where at..I don't know.
2. I'm pretty sure that the Joseph Knott in the 1910 census is the son of Elizabeth and William Knott..since all the statistics such as age and birthplace of his parents match up. We also know that he had three children, all of whom were living in 1910. We now know the name of one: Georgeb. about 1890. (If I go back & research the 1900 census4Soundex, might find Joseph with nnmes of his other children.
3. We also know that William Knott was a survivor of the Civil War, so I need to look at the Civil War Index and locate his Civil War papers from the National Archives. Right now, we don't know the Company that he served with, etc.
4. The next step I have planned is to write to a friend of mine, who is health commissioner in Warren County, Ohio and see if he will get his Vital Statistics Registrar to look up some Knott death records without any definite year of death. Usually they have to have the exact year, but if they have a general index to their records, they might locate these for me.
4. Note tooo, that Elizabeth Knott lists the birthplace of her father as France. Jacob Helminger was born in Alsace Loraine, which at one time was part of France.

Would like to hear your comments on the above and if you have any new data to rekindle the interest in our HEMLINGER family.

I also sent in a family sheet on the Jacob Helminger family to the computer at Everton Publishers. At least the family will be on record there.

Our Defiance County Genealogy Society recently completed the reading of all 82 cemteries in Defiance County. My Dad did all of the typing. He does a better job typing with two fingers than I do with all ten.

22 March 1983

Dear Lucy,

Just a short note to let you know that I'm inclined to agree with your thinking about Sophia Helminger. Thats the way you spelled it, did you mean it that way?

A fellow named Louis Hemlinger showed up on my door step last Thursday night, claimed he was a cousin of mine. He was-. He is the son of John Jacob who was the son of John Louis and Mary Cotterman. Unfortunately he could offer me no information on the family other than what we already know. He did leave me a printout of Hemlingers that he knew about. Copy enclosed. He did not know of anyone that is interested in the family history. He was a very interesting person to talk to but I was dissapointed that he did'nt know more about the Hemlingers or Helmlingers. As a matter of fact he almost rejected the idea that the name ever was Helmlinger. Anyway he said that he would try to find somethign that may help us.

Havent heard from Ann recently, think she's too busy taking care of three kids.

Wish we had concrete evidence that John Louis was really the son of Jacob. I'm reasonably sure that your Milton is the Michael of Jacob and that Sophia is the dau., but I/m wandering about that unsavory grndfather of mine. The Louis that visited me the other night said the only thing that he remembered about him was that one time he was supposed to be baby sitting but refused to change his diapers and he cried. Hows that for a bit of pertinet data ?

I'll write again later,

Bob H.

Dear Lucy,

Many thanks for the letter & the information you sent. I really haven't had time to absorb any of it yet. You have some very interesting thoughts. I'm going to send your info on to dau. Ann & perhaps between the three of us we can come up with the proof that we are looking for. Ann is back in Utah now, so she's close to the greatest collection of genealogy data in the country.

As usual, I don't have much to offer, except I found a Barney Heinlinger & family in Paulding Co. Evidently a recent immigrant to Ohio. Can't tie him in any place - can you?

I was sure that I had seen some KNOTTS in the history of the Pennsylvania Volunteers, Civil War, some time ago. After searching through 25 regiments, all I could find was Weavers and one WALON. I made notes of the ones I found & if you want anything further, let me know. I only have 59 more regiments to go. The volume of books I have tells where & when the regiments were formed & gives a short description of the campaigns they were in.

I found no Hemlingers or Helmlingers.

As soon as I get a chance, I'll go over all the data you sent, to see if I can understand your thinking. Right now my wifes cousin is visiting us & she is some kind of a nut. No time to think seriously about anything.

Lucy I think Ann could help us a lot at the library in Provo if she knew specifically what we were looking for. She usually doesn't have much time to spend there ~~to~~ but if she knew what she was looking for it would help. Perhaps you could jot down specific questions, send them to me, I'll add mine, & then on to Ann. Lets try that.

Good to hear from you again.

Sincerely

Bob H.

Don't want you to run out of forms.

24 March 1985

Hi Lucy;

How in the world did you ever find a Helmlinger in such a remote article? You must have been working overtime. It was really an interesting article. Imagine 2500 men on a riverboat and the part about ten dollars for an officer and five for an enlisted man got me.

I,m trying to write this on a computor that I recently bought, so if it looks very strange try to overlook my inexperience. The thing has a built in word processor that I'm tryng to learn. Also trying to write some programs that will coordinate the family data but I,m not having much luck yet.

I'm sending a copy of a card that I rec'd a long time ago from someone that had claimed to have documented the Hemlinger family. I called and eventually found out that it was only a collection of names and the book was really for someone that was just starting to trace their history. When I told the person that I had been researching the name for many years, they became very cool and acted as if all they wanted to do was hang up. I did not send the thirty dollars.

Also I,m sending some data that dau. Ann dug up. I don.t think there is anything in it that we don't know. I was going to type it, but if I did you may not get it untill next March.

My wife and I have been to Shipsy mant times, usually it,s in July or August and it's so darn hot it't mizerable. Flea markets are fun, thou.

I have no idea what this will look like when I put on the printer. I'm bound to get better.

Sincerely;

Bob H.

Dear Lucy,

Thanks, very much, for the latest info, it's good to hear that there are other people working on the clan.
Also congratulations, two grandchildren, your gaining. My kids tell me that there will be no more for me.
Sorry to hear about your father, guess it's something that has to happen, but we are never ready for.

The newspaper article you sent was very interesting. Did you notice that they left out child number 5 when they were telling about Ludwigs kids. That would have been Chistina, b. ca.1844. She married a David Reinhart.
The third son of Philip and Catherine Elsass may well be the guy we are looking for. It could be the same Jacob mentioned in St Mark Lutheran Church records. Jacob and Chistina Seiter were the sponsors for Philip Helmlinger at his baptism. Copy enclosed.

There was a Philip Jacob Helmlinger born 3 March 1812 to Christian and Elizabeth in Wimme~~r~~nau, Alsase Lorraine, France. Do you suppose thats our boy?

There was a George Helmlinger in Alleghaney co. Pa. 1846.

Let me know if Linda Knerr Ladd comes up with anything interesting. I'm confused, is it Knerr or Knarr? It's spelled both ways in the article.

Sincerely,
Bob

Dear Bob,

Recently I wrote to two Helmlinger descendants in the Shelby Co. area. They both wrote back and one sent me the enclosed clipping. I made a copy for your files. Do you think that son (3) of Philipp & Catherine Elsass Helmlinger might be our Jacob? It doesn't give his name or birthdate..think our was born about 1815/16, and according to the article married Catherine Zarn..but with the mixup of names..she could have been Catherine Steinbach.

They certainly used the same names..Catherine..Sophia...Christian, etc...names which keep recurring in the family history.

Also wrote to the Wapak Newspaper Editor and asked him to forward my letter to Linda Knerr-Ladd..since no address was listed in the newspaper.

Have been trying to revive my Hemlinger Genealogy..this winter got out all the scraps of data on them and reread everything.. and tried to think of new ways to receive info. Met the Health Commissioner of Shelby Co.O. at a meeting in Columbus in Dec. and asked him if he knew any Helmlingers..He said...everyone in Jackson Center ..practically.. is a descendant of that family.. He did send me the nmes and addresses of two ladies..the ones to whom I wrote.

We' ll see if Linda Knerr Ladd comes up with anything. Maybe she can give me the name of someone else to write to. It may be a futile effort since our Hemlingers left the area so quickly!

Keep in touch!

Sincerely,
Lucy

Dear Lucy:

Hope this finds you & yours well and full of the proper spirit to face the holidays and the new year. Betty and I are both fine.

I recieved some gen. material from the son of Elmer P. Mann. I'll send it to you as soon as I get it photocopied. There is nothing in it that will help us with our problem but maybe you will find it interesting.

Going to visit daughter Ann, later this month. We will probably visit the Gen. Library sometime during my stay.

Dear Lucy;
Well I finally splurged and bought a genealogical program that seems to work pretty well. It was made by the Morman church in conjuction with IBM and Microsoft Corporation.

So far, I have over 300 family files inputed with about 400 names. I'm sending some samples of what it can do, of course at this point. I have no idea of it's ultimate potential.

On the one pedigree chart, I'm sending, there are a lot of blank spaces. If you would like to pencil them in I'll be glad to enter the info and return corrected copies to you.

Also if you can think of any info that you would like, let me know, and I'll see if I'm smart enough to figure out how to do it.

Now that I'm retired I should have a lot of time to spend on this project, lets hope it's worth while and that we find some answeres to the questions that have been bugging us for years

Will send more later. Bob H.

Dear Robert and Family.

Sent by Bob Hemlinger to me

My apologies for taking so long to answer your letter of Feb 1984. I had major surgery in Jan 84 and I was a long time recuperating. Later that year I had reaction from medication given me for my bladder that left me very weak. We did get to go ~~to France~~ with the Friendship Force to Pau, France for one week and it was on the second week we rented a car at the airport in Paris and drove to Alsace. Shortly after we got back in July I was again in the hospital for one week to have medication through veins for bladder infection. Since then we have been busy helping family + friends with painting and papering along with some carpentry work.

The only Jacob Helmlinger we could find in the church record around 18^15 was a Philip Jacob Helmlinger born March 3 1812. His parents were Christian and Elizabeth ? We were able to find the parent's name of ancestors who came over through the baptismal records but the writing was so hard to read, Mother's last name was impossible to make out for several. The church records go back to early 1800's. The minister's wife said farther back would be a Strasbourg.

At Echardswiller there were more Helmlinger graves than at Wimmenau. There we also saw the names Muench and Stamler both names of my great grandmothers. The ministers wife told us to go to another village Obermodern for Zorns but we didnt get to. The villages are approximately 5-6 miles apart. I have not been able to get any back ground of my g.g. Kloppenstein who was Catherine Zorn. Evidently her father was married twice and the children from the second wife know nothing of the older children.

Many people who settled in Clay twp. Auglaize Co. and the adjacent Jackson twp. of Shelby Co came from Alsace. My gg. Ludwig Helmlinger purchased land in the years 1834 and 1835. I assume your gg Jacob Helmlinger was either a cousin or brother to Ludwig Helmlinger and came over shortly after Ludwig came.

According to the information your daughter sent me John Lewis Helmlinger is buried at St. Joseph Cemetery. Since that is the catholic cemetery his [illegible] wife ~~Jennie~~ Kaiser was probably catholic and that may be the reason there no information at St. Marks. Perhaps, when I have time on a visit to Wapak I will have time to stop to look for his grave. Have you ever visited Wapakoneta? If you can come to Ohio sometime we would be glad to have you visit us and make a trip to Wapak.

In August we had a two people visit with us for a week from Pau, France.

I think I sent your daughter what I copied from St. Marks church baptismal records the following information but it is confusing.

10-2✓45 Sophia Helmlinger - parents Jacob and Elizabeth ? Funz
3-11✓47 Elizabeth " " " " "
6-9✓48 Michael ✓ " " " Elizabeth Thomas?
10-11-49 Philip ✓ " " " " "
OCT 11-1849 but no John Lewis

also Shelby county marriage records have a Jacob Helmlinger and Elizabeth Lewis married 10-10-1843 by Justice of Peace Wesley Noland of Jackson Twp.

Dear Lucy,

Thank you for your kind letter. Words from friends and family help a lot. My daughter's family from Waterville, Ohio, is coming here for Christmas so I'm busy.

I'm happy to send you an obituary folder and I'm sending the newspaper obituary clipping also. Let me know if you want any more folders for anyone.

You have my deepest sympathy in the loss of your mother. It is hard to accept these things even if you know they are coming. It is especially difficult at holiday time.

My best to you and Jerry. Let's hope 1991 will be a better year.

Love, Betty

Dear Lucy and Gerald,

I had meant to write to you much sooner this year but have been slow getting many things done. It has not been a good year.

We discovered Bob had lung cancer a few days before last Christmas. He started radiation treatments on Dec. 26th and we thought for awhile it was helping a lot. The tumor shrank and he felt better. But in May the tumor began to increase again and his health rapidly got worse. He died suddenly on June 1st. It was best for him since he couldn't get better but it is hard to accept. I am so glad he was able to get back to Indiana for awhile anyway.

I hope things are well with you and you have happy holidays.

Regards,

Betty
